AUDIT EXECUTIVE SUMMARY:

This is a small roughly 50-acre conventional watermelon farm. The farm's water is source from a well on site. The wells water is testing monthly when in use and records were observed. There was notation to applications of inorganic fertilizers and other chemicals. The fertilizers and chemicals are provided for by certified Nutrien. There is only other farmland nearby and one residence on the far northeast corner. There was no activity on the farm the day of the audit
