AUDIT SCOPE:

Moore & Moore Farms is a conventional watermelon grower / packer / shipper located in Hornersville, MO. 3 people work in the ranch in their watermelon season in the Langdon Barn field with 15 acres. The ranch is irrigated with a drip irrigation system with two wells that are being used to provide the water; the fertilizers and crop protection materials are applied in house during the season that runs from July to August. The watermelons are harvested by hand and loaded in modified school buses that transport them to the nearby packinghouse in order to be packed and shipped.
