Announced Audit

AUDIT EXECUTIVE SUMMARY:

The scope of this audit covered the Moore and Moore conventional watermelon packing facility. There were 20 employees observed packing conventionally grown watermelons into cardboard bins. The melons are offloaded from trucks onto conveyor belts then sorted and packed into cardboard bins. The packing area is closed when not in use. There is no product washing and no other products stored. There are no coolers, all products are stored at ambient temperature. All bins are labeled for the day of packing. The scope also included a review of the food safety management system, corresponding documentation, employees and their practices, the facility and surrounding areas.
