PRESS RELEASE

Biohealth Hub Hosts Lunar New Year Happy Hour: Exploring the Impact of AI in Healthcare

Rockville, MD – February 7, 2025 – Biohealth Hub at Greencourt Innovation Center proudly celebrated the Lunar New Year with a special Happy Hour event, "**Exploring the Impact of AI in Healthcare**." The event brought together leaders in regulatory and innovative healthcare and technology space to discuss the transformative role of artificial intelligence in the life sciences sector.

From Left to Right: Cathy Bauer, Gabriel Brown, Bei Ma, Stephany Yu, Susan Lee, Angela Men and Matthew Chervenak.

The evening began with opening remarks by the **Honorable Maryland Secretary of State Susan Lee**, who presented a **proclamation from Governor Wes Moore**, **officially declaring January 29, 2025, as the Lunar New Year in Maryland**.

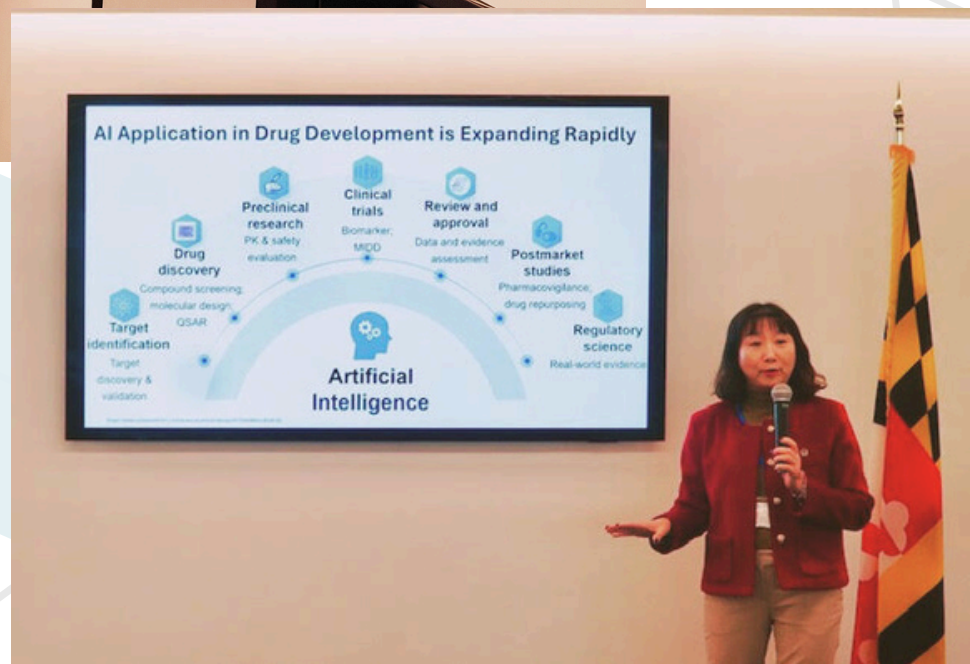

From Left to Right: Stephany Yu, Susan Lee, and Bei Ma

The State of Maryland

Proclamation

From the Governor of the State of Maryland

LUNAR NEW YEAR DAY
JANUARY 29, 2025

WHEREAS, We mark the beginning of Lunar year 4723, celebrations take place commemorating 2025 as the Year of the Snake. The individuals born in the Year of the Snake are known for being intelligent, elegant, charming, intuitive and graceful; and

WHEREAS, Asian Americans across Maryland are celebrating the Lunar New Year with warm wishes of joy, prosperity and good fortune in the coming year; and

WHEREAS, In recognition of the economic, social and cultural contributions of the many Marylanders to whom the Lunar New Year holds special significance, the Maryland General Assembly has enacted a law commemorating the Lunar New Year Day each year throughout the state of Maryland; and

WHEREAS, Maryland is proud to join in offering best wishes for a happy, healthy and prosperous "Year of the Snake."

NOW, THEREFORE, I, WES MOORE, GOVERNOR OF THE STATE OF MARYLAND, do hereby proclaim JANUARY 29, 2025 as LUNAR NEW YEAR DAY in Maryland, and do commend this observation to all of our citizens.

Given Under My Hand and the Great Seal of the State of Maryland, the 29th day of January, Two Thousand and twenty-five

Governor

Lt Governor

Secretary of State

The proclamation underscored the State's commitment to recognizing and celebrating cultural richness while fostering innovation in the biohealth and AI sectors.

Keynote and Featured Speakers

The event featured a keynote speech by **Dr. Angela Men**, **Chief Medical Officer**, **Haichang Biotech**, who shared insights on regulatory and clinical perspectives on AI in healthcare.

Additional featured speakers included:
Matthew Chervenak, **Founder and CEO**, **AllSci Corp**.,
delivering his talk on the AI-enabled life science research and
its applications in accelerating scientific discovery.

Gabriel Brown, **CEO**, **Tenacity Solutions**, presenting on
healthcare IT and the integration of AI solutions in modern
medical systems.

Engaging Panel Discussion

A dynamic panel discussion, moderated by **Bei Ma**, **Co-founder**, **Biohealth Hub**, explored critical topics such as:

- The role of AI in transforming patient care, including success stories of AI-driven diagnostics and treatments.
- Regulatory challenges and opportunities, examining key hurdles and strategies for policymakers to ensure safe AI implementation.
- Global AI policy trends, discussing cross-border collaboration and innovation in AI adoption.
- IT infrastructure and AI integration, addressing the challenges of implementing AI solutions within existing healthcare systems.

Panelists included Dr. Angela Men, Matthew Chervenak, and Gabriel Brown, who provided expert insights and engaged in a lively Q&A session with the audience.

Networking and Community Engagement

The event concluded with a networking session, allowing attendees to connect with industry leaders, entrepreneurs, and investors at the intersection of AI and healthcare.

"AI is revolutionizing healthcare, and events like these bring together brilliant minds to drive innovation," said Bei Ma, Co-founder of Biohealth Hub. "We're thrilled to foster discussions that shape the future of AI in life sciences."

About Biohealth Hub

The Biohealth Hub @ Greencourt Innovation Center is a premier innovation space dedicated to advancing life sciences and biotechnologies in Maryland. The hub offers a collaborative environment where startups, researchers, and investors come together to foster growth in life sciences, biotechnologies, medical devices, and digital health.
