

I AM WELLNESS MD - See If You Qualify For Medical Weight Loss

Our physician-guided weight loss programs are designed for individuals who are ready to take control of their health and achieve lasting results. This quick overview will help you understand if you may be a good candidate and what the next steps look like.

Overview

Our virtual model allows you to receive high-quality medical care from the comfort of your home. All services are provided by appointment and guided by licensed providers.

Take The First Step Today

If you've been struggling with weight loss, you're not alone. With the right support and a structured plan, many patients are able to achieve results they haven't been able to reach before.

Struggling

Difficulty losing weight with diet alone.

Appetite

Frequent hunger or strong cravings.

Goals

Ready to make a lasting change.

You May Qualify If

- BMI over 27
- Weight-related concerns present
- Difficulty losing weight
- Committed to your goals

Good Fit

You may be a strong candidate if you are looking for a structured, physician-guided approach to weight loss and are committed to following a personalized plan designed for your success.

Considerations

Some individuals may require additional evaluation depending on their medical history, current medications, or health conditions. Our providers will ensure your treatment is safe and appropriate for your needs.

Process

Getting started is simple. You'll complete a quick eligibility check followed by a medical review with a licensed provider. If approved, your treatment plan is customized and your medication is shipped directly to your door.

01

Check Eligibility

Complete your quick online form.

02

Medical Review

Provider evaluates your profile.

03

Get Approved

Receive your personalized plan.

04

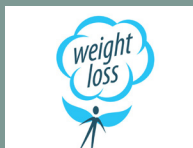

Start Journey

Begin your weight loss program.

Simple

The process is designed to be fast, convenient, and easy to complete from home.

Guided

Every step is supported by experienced providers to ensure safety and success.

Next Steps

- Complete eligibility check
- Schedule your consultation
- Start your personalized plan
- Take control of your health
