

5 November 2025: Introducing TFMXpress – Our Newest Carrier Partner for Australia

We are excited to announce the official launch of TFMXpress to our InXpress Australia carrier lineup!

We are confident TFMXpress will provide a strong alternative while giving our network access to more flexible, reliable, and cost-effective general freight services across Australia.

Why TFMXpress?

- Expands our domestic carrier portfolio with a focus on cost-efficiency, consistency, and national reach.
- Strength in Capital Cities with rates Ex: Sydney, Melbourne, Adelaide, Perth, Newcastle, Geelong and Gold Coast.
- Lower surcharges allowing confidence when quoting customers.
- Per Kg rates and Pallet Rates (1.2x1.2x1.4m @ 1,000kg's)
- Strengthens our ability to negotiate and compare across multiple carriers empowering you to deliver better value and maintain customer confidence.
- Offers services ideal for cartons, skids and palletised freight consignments, complementing our existing carrier mix.
- Preference is for B2B shipments however does cater for home deliveries for customers that have a mix of delivery types.

What's Next

- TFMXpress is now available in both *MachShip* and *WebShip Freight*.
- Please see attached marketing material to familiarise yourself with their services.

If you have any questions or need assistance, please don't hesitate to reach out to your dedicated freight consultant.
