

27 June 2025: DHL - Temporary Suspension of International Services to and from Israel

Please refer to the below notice from DHL regarding the temporary suspension of International services to and from Israel.

"Due to the closure of Israeli airspace, DHL Express has to temporarily suspend all international services to and from Israel. This suspension is effective immediately and will remain in place until further notice. Our aviation security experts are actively monitoring the situation in collaboration with our local team in Israel and the relevant government authorities.

We are looking for alternative solutions and will resume international services as soon as the restrictions are lifted or other secure transportation options become available. Please note that we remain operational within Israel for domestic deliveries. We understand the impact this may have on your shipments and appreciate your patience and understanding during this challenging time.

The safety and security of our employees and our customers' shipments are our top priorities. We will keep you updated with any developments and are here to assist you with any questions or concerns you may have."
