Western River Valley Board of REALTORS® Newsletter

## FEBRUARY IS DIVERSITY, EQUITY AND INCLUSION MONTH

Diversity in our membership will make our association a stronger voice for real estate in our communities. A diverse demographic in our membership will aid in advocating for homeownership and private property rights throughout our market area. This will also help build our commitment to ethics and meeting the needs of our members.

Education regarding diversity and fair housing is an important factor also. Training such as [At Home With Diversity®](#) and [Fairhaven](#) simulation will help develop skills to become a dynamic real estate professional with expertise that transcends barriers that may arise from potential discriminatory practices.
