Classification and Age Requirements

The USFA season begins on August 1st and ends on July 31st. The Player's age of eligibility is determined by the chart below. This applies to A, B, and C Travel Teams as well as Rec/All-Star teams.

The following chart is in effect for August 1, 2024-July 31, 2005. Odd age groups will play in older even age group in events without enough teams for a split (e.g. 7U will play 8U, 9U will play 10U, etc.)

High School Division is 16u/18u Combined, with an Open Team Classification. Open Classification refers to all Team Classifications being combined into a single group. This is for some tournament purposes to offer all Team Classifications an opportunity to play an Open Classification Format.

Players may participate in a higher age or classification but cannot play in a

lower age or classification.

Player rosters must be entered electronically and submitted prior to tournament play. For purposes of the World Series, all rosters must be electronically submitted by July 1st or the date of the USFA State Tournament whichever comes first. All rosters will be locked at that time.

Players may not participate on more than one team in any event, regardless of age or classification during the same event or time period.

USFA Seasonal Year

Team registration will run from August 1st through July 31st. Tournament play begins on August 1st.

USFA Official Playing Rules

The following rules are the official United States Fastpitch Association rules that will be in effect at all State, Regional and National tournaments. Local areas may modify these rules to conform to their local high school and recreational league rules only. Optional rules are common in regards to coach pitch versus machine pitch in younger divisions. Using 10 or 11 defensive players in younger divisions is a recreational option designed to get more girls in the game. Local options are not necessarily endorsed by USFA but demonstrate the flexibility and tolerance of USFA. USFA will always be about the “can do’s” and not the “can’t do’s”. Safety rules are NOT FLEXIBLE. We will adhere to all safety rules in their fullest, including safety

rules that are mandated by the governing body of softball. In order to keep the USFA Rulebook as streamlined as possible, rules that are not addressed here should refer to the National Federation of High Schools (NFHS) rulebook for all rules and case studies that have been established throughout the evolution of the sport. (See nfhs.com)

Section 1. The Playing Field

Age	Pitching Distance	Base Distance	Fence Distance
6U	30/35 ft	55/60 ft	120-200 ft
8u, 9u, 10u	35 ft	60 ft	150-225 ft
11u, 12u	40 ft	60 ft	180-225 ft
13u, 14u, 16u, 18u, High School	43 ft	60 ft	200-225 ft

- 1.1 There will be a 16 foot diameter circle drawn evenly around the pitching plate.
- 1.2 The batter's box will be to the left and to the right of the plate. They will be 3 feet wide and 7 feet long. Four feet toward the pitching plate from the center of the plate.
- 1.3 Base lines – a direct path between two consecutive bases.
- 1.4 Coaching boxes and on deck batter's boxes are recommended.

Section 2. Equipment

This is the equipment to be used while playing in official United States Fastpitch Association events. As a rule, equipment must be standard approved equipment that is properly marked with "Official Softball" or similar markings that certify the equipment. All official safety equipment must be used and properly marked as certified.

- 2.1 All bats must be unaltered official softball bats. The umpire will check all bats prior to the game. Any illegal bats will be removed from the dugout prior to the game. All bats must be stamped with BPF 1.20 or less OR a current ASA stamp and NOT be on the ASA NON-APPROVED bat list. The governing body of softball maintains a list of illegal bats and USFA will enforce this. Use of illegal bat will result in an automatic out and ejection of player using the bat. (usasoftball.com)
- 2.2 A USFA stamped game ball or the equivalent must be used in all USFA sanctioned events. All 12U-18U division balls must be 12" in diameter with .47 C.O.R. and .375 compression. 6U-10U must use 11" diameter with .47 C.O.R. and .375 compression. Color and stitching are optional.
- 2.3 All batting helmets and catching gear must be approved and in original condition and contain the NOCSAE. (Numbers and personalized designs are okay). Skull Caps are not authorized for Catchers and Batters.
- 2.4 Defensive face guards are recommended and endorsed by USFA. A defensive face guard must be non-tinted if permanently attached but can be tinted if the face shield is attached magnetically.

- 2.5 Shoes and socks must be worn and plastic cleats are recommended. Metal cleats are allowed for 13U-18U and High School divisions.
- 2.6 Hats and visors are permissible. They are optional between each individual player. Must be properly worn by Players and Coaches.
- 2.7 Uniforms should be similar in appearance. Numbers should be worn on uniforms with no 2 players on a team having the same number. In situations where 2 players have the same number, the lineup sheet should state a difference between the two players. Example: #12 red jersey, #12 black jersey.
- 2.8 All equipment shall be worn properly according to the manufacturer's design, including wristbands with playcards.
- 2.9 Noncompliance of equipment rules will lead to offending coach being ejected from the game.

Section 3. Definitions

- 3.1 Altered Bat/Balls: When the physical structure of a legal softball bat or softball has been changed. Use of an altered bat will result in both coach and player being ejected from the game.

Participation with or Encouraging the use of Altered Bat/Ball: Any player who participates with, or any adult who encourages the use of an altered bat or ball shall be suspended immediately from the event. Said player, coach and player's parents may also be suspended

indefinitely from all USFA activities and could be subject to **Child Endangerment Criminal and Civil Charges**.

- 3.2 Appeal: A play or rule violation on which the umpire does not make a ruling until requested by a coach or player.
- 3.3 Base Path: The traditional path traveled by a runner who is attempting to advance to the next base. It is defined by a direct line between two bases and three feet on either side of that line, unless a fielder has the ball in her possession and she is within three feet of the runner and prepared to apply a tag. A base runner who attempts to avoid a tag by running more than three feet to either side of a fielder with the ball in her possession shall be declared out. NOTE: A runner establishes her own base path when she is not being played upon.
- 3.4 Base Runner: The batter runner is a player who has finished their time at bat and has left the batter's box (both feet touching completely outside the box) but has not yet been put out or reached first base.
- 3.5 Bunt, Attempted Bunt or Drag Bunt: A bunt is a legally batted ball not swung at but intentionally tapped with the bat. Attempted Bunt: Any non-swinging movement of the bat intended to tap the ball into play. Holding the bat in the strike zone is considered a bunt attempt. In order to take a pitch, the bat must be withdrawn - pulled backward and away from the ball. Drag Bunt: A drag bunt is attempting to bunt the ball by running forward in the batter's box, carrying the bat with her. The movement of the bat is in conjunction with the batter's forward movement.
- 3.6 Conference: Anytime a head coach gets permission to suspend play to talk to the players. Only 1 offensive or defensive conference allowed

per half inning without penalty. On the second defensive conference, the pitcher must be replaced. Replaced pitcher cannot return to pitch in the same inning that she was replaced. The new pitcher must pitch to at least one batter.

- 3.7 Five Minute Rule/Stalling: Umpire has a right to end a conference early if the umpire determines a team is trying to stall a game. This call will not be questioned or appealed by a coach. Also, any stoppage of play within the last 5 minutes of a timed game will result in the game clock being suspended until play resumes.
- 3-8 Crowhop or Replant: A “Crow Hop” is defined as the act of a pitcher who steps, hops, or drags off the front of the pitcher’s plate, replants the pivot foot, establishing a second starting point, pushes off from the newly established point and completes the delivery.
- 3-9 Dead Ball: When the ball is not in play. Umpire will declare, “Dead ball”.
- 3-10 Fake Tag: An act by a defensive player that simulates an attempt to tag a runner. Faking a tag is always considered obstruction.
- 3-11 Foul Tip: A foul tip is a batted ball that goes sharply and directly from the bat to the catcher's mitt or hand and is legally caught by the catcher. It is a strike and remains a live ball.
- 3-12 Obstruction (Defense): Obstruction is the act of the defensive team member that hinders or impedes a batter’s attempt to make contact with a pitched ball or that impedes the progress of a runner or batter runner who is legally running bases, unless the fielder is in possession of the ball or is making the initial play on a batted ball. The act may be intentional or unintentional, physical or verbal.

- 3.13 Hit By Pitch: When the pitched ball hits the batter and the batter is not swinging at the ball and a ball or a strike is not called and the pitched ball is entirely within the batter's box and it strikes the batter or her clothing. Dead ball results with the batter advancing to first base. No attempt to avoid being hit by the pitch is required. However, the batter may not obviously try to get hit by the pitch.
- 3.14 Illegal Bats: An illegal bat is a bat that does not meet acceptable specifications.
- 3.15 Infield Fly Rule: Infield fly rule is, when declared by the umpire, a fair fly (not including a line drive or an attempted bunt) that can be caught by an infielder with ordinary effort when runners are on first and second or all three bases are occupied and with less than two outs in the inning. Any defensive player positioned in the infield at the time of the pitch shall be considered an infielder for the purposes of this rule. The rule does not preclude outfielders from being permitted to make the catch.
- 3.16 Interference: Interference is an act (physical or verbal) by a member of the team at bat who illegally impedes, hinders or confuses any fielder; or when a runner creates malicious contact with any fielder with or without the ball, in or out of the baseline.
- 3.17 Live Ball: Any and all times that the ball is in play or until the umpire calls "time" or "dead ball".
- 3.18 Three Foot Running Lane: The three-foot running lane is a space defined by a line drawn 3 feet from and parallel to the first base foul line starting halfway between home and first base and extending to first

base in foul territory. In all situations when the batter-runner is entitled to run (i.e., a batted ball, a base on balls or a dropped third strike), she must use the three-foot running lane. An award of first base on a base on balls does not negate the requirement to use the three foot running lane. The batter runner is out if she runs outside the three-foot lane and, in the judgment of the umpire interferes with the fielder taking the throw at first base (there must be a throw); however, the batter runner may run outside the three-foot lane to avoid a fielder attempting to field a batted ball. A runner is considered outside the running lane if either foot last contacted the ground completely outside the lane. Players must understand that once they reach the running lane they should run completely inside it.

- 3.19 SLASH: To show Bunt, then pull Back at the last moment and take a full swing. This is illegal in 8U.
- 3.20 SLAP: A slap hit is a batted ball (often incorrectly called a bunt) that has been struck in a short, chopping motion, rather than a full swing. The two most common types of slap hit are: those in which a batter takes her stance as if to bunt, but then either drives the ball into the ground with a quick, short swing or punches it over the infield. Those in which a batter takes running steps toward the pitcher, before making contact with the ball.

Section 4. Playing the Game

These are the basic playing rules adapted by USFA. We will not mention the

very basics, which are universal. Anything not specifically addressed will revert to NFHS Softball Rules (nfhs.com).

- 4.1 The plate is considered fair territory. A hit ball that hits the plate and remains fair or rests on the plate is considered a fair ball.
- 4.2 The strike zone is when a pitched ball crosses any part of the plate in width and crosses anywhere from the batter's knees to her solar plex.
- 4.3 The game will be seven innings, unless a run rule comes into effect or the game has been established in advance with a time Limit.
- 4.4 The run rule will be 12 runs after 3 innings, 10 runs after 4 innings, and 8 runs after 5 innings unless modified by the tournament director.
- 4.5 Tie game after 7 innings or expired game time limit:
 - a. Some leagues will play extra innings until a winner is determined.
 - b. Tournaments will use International Tiebreaker. (The last completed at bat in the previous inning becomes a base runner at second base. Play until a winner is determined).
 - c. Some tournament formats will leave games in a tie due to scheduling restraints and maintaining a daily tournament schedule.
- 4.6 Determining home team:
 - a. Leagues may predetermine this on a schedule or use coin toss.
 - b. Tournaments will use coin toss before the start of the game for pool or seed play.
 - c. Tournaments may continue to use a coin toss in bracket play or the high seed from pool play can be determined to be the home team.

Once a team is in the “loser” bracket of a double elimination tournament, coin toss will determine home team.

4.7 When the ball is “dead”:

- a. When “no pitch” is called by the umpire.
- b. When a fly ball in foul territory is not caught.
- c. Offensive interference.
- d. When the batter or base runner is hit by the batted ball before the ball is touched by a fielder.
- e. When the umpire calls “time”.

4.8 When the ball is “live”:

- a. Any batted fair ball.
- b. Any fair ball that is in the playable field of play.
- c. Any and all times before an umpire calls “time”. When an umpire is hit by a thrown ball or batted ball. When a base coach is accidentally hit by a thrown ball.

Section 5. Players and Substitutes

USFA has adopted the following rules. The Official lineup rules for tournament play to be used for all State, Regional and National Play

THERE IS NO DP/FLEX

- 5.1. Batting order shall list all players that are actually batting. A minimum of 9 players must be listed in the batting order. (See *NOTE for exception). There is no limit to the number of batters that can be used in the batting order. This batting order is for Offense ONLY. Players that are not batting will be listed on the lineup sheet as substitute players.

*NOTE: Shorthanded Rule: Game can start with 8 players. An out will be recorded when the missing player's spot comes up to bat. When a 9th player arrives, they must enter game immediately.

- 5.2 For Offense: The substitute player can be used at any given time during the game. The original player (starter) can reenter the game at any given time. The starter and the substitute may each reenter one. All substitutes are tied to the player they are substituting for. Once Batting order is established, it can only change by legal substitution or a player being removed for injury or illness.
- 5.3 For Defense: Free substitution on defense. Any 9 players listed on the lineup sheet can play Defense. The 9 players can be in the batting order or listed as a substitute. Defensive substitutions are not required to be reported. Additional Defensive substitutions can be made during a pitching conference, pitching change or due to injury or illness.
- 5.4 Courtesy runners are allowed for pitchers/catchers. The use of courtesy runner is highly encouraged when there are 2 outs and your catcher is on base. Courtesy runners for pitchers/catchers can enter at any time.

Determination for the courtesy runner:

Any player listed on the lineup sheet that is not in the batting order or the last completed at bat not on base.

- a. If the last completed at bat is a pitcher or catcher, the courtesy runner will revert to the batter immediately in the batting order not on base.
 - b. The lineup sheet must identify the starting pitcher and catcher for courtesy runner purposes. If it is determined that the wrong courtesy runner is on base, the correct courtesy runner will be entered and there is no penalty.
- 5.5 All lineup sheets will be turned in at the start of the game. One copy will be given to the plate umpire and one copy will be given to the opposing team.
- 5.6 If a player is lost to injury or illness, that spot in the lineup will be deleted unless there are less than 9 players on the lineup sheet. In that case, the affected spot will be an out when that spot comes up in the order unless there is a substitute player available to go in that spot.
- 5.7 Any player ejected from the game will result in an out when that spot in the lineup comes up unless there is a substitute player available to go in that spot. Minimum requirements for fielding a team are still active. A team must have a minimum of 9 players on the lineup card but can finish with a minimum of 8 players. The missing player in the batting order would be an out. Less than 8 fieldable players on the team will result in forfeit for that team.

Section 6. Pitching Rules (NFCA.com)

Refer to NFHS Rules.

Section 7. Batting/Base Running

USFA will use the following basic for batting and base running:

- 7.1 The girl is considered the batter when she takes her place in the batter's box.
- 7.2 The batter can request time by lifting her hand and stepping one foot out of the box. The umpire can grant the batter time out if the pitcher has not started her pitch. If time is not granted, she will take the called pitch.
- 7.3 Batting out of order:
 - a. Infraction appealed during illegal batter: the correct batter takes over and assumes the pitch count.
 - b. Infraction appealed after illegal batter has batted but before next pitch: the girl that should have batted is out and any base advances will return to their position prior to the illegal batter's bat. The correct spot in the line-up will be the batter that follows the girl called out. Example: (Batter #5 is the girl called out. The correct spot in the

lineup would now be Batter #6.)

- c. Infraction appealed after illegal batter has batted and after next pitch: the play stands. All base runners remain where they are.
- d. Batter positions on the lineup sheet are determined by the player's name and not the jersey number. Improperly recorded position numbers and player numbers are correctable errors.

7.4 The batter is out when the:

- a. Batter steps on the plate when hitting the ball in fair or foul territory.
- b. Batter steps out of the batter's box when hitting ball in fair or foul territory.
- c. Batter fouls off third strike while trying to bunt.
- d. Catcher catches third strike foul tip.

7.5 The batter can advance to first base when the:

- a. Batter is pitched 4 balls.
- b. Batter is hit by pitch (unless the ball is in the strike zone or swung at).
- c. Catcher drops third strike with one or less outs and no base runner occupying first base or with two outs regardless of occupation of first base. **Exception to dropped 3rd strike:** If the batter enters the dead ball area, she will be called out.
- d. Catcher interferes with the batter's bat while batter is swinging at the pitched ball, or anytime during a pitch. If the ball is put in play during the interference, the offensive coach has the option to take the result of the play or the interference.

7.6 The base runner must run the bases in order when advancing or

retreating.

- 7.7 When a base runner misses a bag, the play is appealable to the umpire by the defensive coach or any player on the field. Appeal must be made before the next pitch (except coach pitch) is delivered.
- 7.8 If a base runner attempts to advance to the next base while the pitcher has possession of the ball in the pitcher's circle, she must continue to the next base. Any attempt to retreat back to the previous base (without pitcher attempting to make a play on the base runner) will result in the base runner being called out. This is called "hesitation" or "look back" rule. The base runner can turn the corner and immediately look for the ball. This is not an attempt to advance to the next base.
- 7.9 Base runners may attempt to steal only after the ball leaves the pitcher's hand during her delivery of the pitch.
- 7.10 Base runner cannot run out of the base path to avoid a tag. This will result in base runner being called out.
Base Path: The path between the bases. 3 ft on both sides of the bag that run parallel from the base pad and centerline. Base runner's position also establishes base path.
- 7.11 Base runner should avoid contact with the defensive player at any base if there is a defensive play being made. (This is for the safety of the players). Any aggressive act will result in base runner being called out. Neither the catcher nor any other defensive player may block a base or home plate without having possession of the ball.
- 7.12 Base runner cannot interfere with a defensive player making a play on the ball. This results in the runner being called out and all base runners returning to previous bag before the interference occurred (unless

forced to advance). The batter/runner is deemed safe at first base.

- 7.13 If a batted ball hits a base runner prior to passing or being touched by a defensive player (non-pitcher), the base runner is called out. In addition, if the runner interferes with an attempt by the defense to field the ball, the base runner will be called out.
- 7.14 Base runner cannot leave her base during a caught fly ball until the ball is touched by defensive player's glove or body.

Section 8. Umpires

Below are guidelines adapted by USFA that govern the Rights and responsibilities of the Umpires

- 8.1 The umpire is responsible to keep control of the game.
- 8.2 The umpire can suspend play for any reason: Acts of nature, unruly conduct, etc.
- 8.3 Unsportsmanlike conduct from fans, players or coaches may place the entire team in jeopardy of possible forfeit.
- 8.4 Protests must be made verbally with the umpire by the offended team at the time of the play and before the next pitch. A fee of \$100.00 cash (refunded if protest is upheld) must accompany the protest. Only decisions involving the misinterpretation or misapplication of a rule may be protested. No protest shall be allowed in matters involving solely the umpire's judgment. All decisions made by the site director

and/or UIC shall be final. Protests not allowed in non seeding pool games.

- 8.5 A head coach can appeal to the plate umpire in the case of a batter on whether or not a check swing was checked or not. (The field umpire might have a better view). The plate umpire does not have to grant the appeal.

Section 9. League Play Guidelines

These are the guidelines adapted by the United States Fastpitch Association for running leagues. Local directors may make modifications to accommodate local needs.

- 9.1 All teams and umpires must be sanctioned with USFA. Umpires must sanction individually to receive proper insurance coverage.
- 9.2 Teams should be picked in a manner to ensure parity in the league. There is nothing worse than having a stacked team among a group of inexperienced teams. League parity assumes better games and a better chance of fair play.
- 9.3 At the end of the season, all-star teams can be picked and they should represent the best players that each individual team has to offer.
- 9.4 Local all-star tournaments should be rotated between the local area parks on a year-to-year basis.

- 9.5 A mid-season tournament is always a good way to raise money for local leagues. The tournament should consist of all league teams within the area.
- 9.5 Fundamentals should be taught to the players at all age groups and divisions. Clinics should be arranged for all new coaches.
- 9.6 Sportsmanship and fair play should be stressed to all players and coaches.
- 9.7 Sponsors should be appropriate for our youth to be associated with.
- 9.8 Coaches should try to keep the game fun. Never degrade or belittle a player. Be positive in all aspects of the game.

Section 10. 8U Rules (Coach Pitch)

This section has been adopted by USFA for 8U coach pitch.

- 10.1 8 runs or 3 outs per ½ inning. Following run limit or 3rd out all runners will be stopped to prevent injury.
- 10.2 10 defensive players allowed on the field with not more than 6 in the infield. Outfielders must be 10 ft. beyond the bases.

- a. Two defensive coaches are allowed in the outfield in foul territory 10 feet or more behind the bases.
- 10.3 Five pitches or 3 swings are allowed for each at bat. If the 5th pitch is fouled off the batter can continue until striking out or putting the ball in play.
- 10.4 Bunting and slapping are allowed.
- 10.5 Slashing is now allowed. Slashing is showing bunt and then pulling back and swinging. The Penalty for slashing is deadball out.
- 10.6 The coach pitcher must pitch from the pitching plate and stay within the 24" plate. If the coach pitcher is hit by the ball unintentionally, it will be a deadball do-over.
 - a. If the coach pitcher gets outside the 24" pitching plate at release, a strike will be called.
 - b. The coach pitcher must move from plate for safety and to let player pitcher have access to cover the bunt.
- 10.7 The coach pitcher can talk to players, but cannot hold up the game. When the ball is put in play, coach pitcher must exit the field as soon as possible as to not interfere with the play on the ball.
- 10.8 Player pitcher has to have at least one foot in the circle and be no closer than the pitching plate at the time of the release of the pitch.
- 10.9 Pickoffs are not allowed.
- 10.10 Runners can leave the base at release of the pitch. No stealing is allowed.

10.11 Runner leaving early is a deadball out. No warning is issued.

10.12 No infield fly or intentional walking allowed in 8U.

10.13 Run rules apply – 12/10/8 after 3/4/5.

10.14 Even if mathematically impossible to tie or win, the home team may elect to complete the last inning at the director's discretion.

10.15 Play will be stopped when the lead runner is stopped and runners have achieved the base closest to them. This will be umpire judgment.

Examples:

- a. Runner 1 at third base. Ball hit to F5 who holds Runner 1 at third base. As soon as the batter runner touches first base the umpire will kill the play.
- b. Runner 1 at third base. Ball hit to F6, batter runner achieves first base and continues to second base prior to runner 1 being stopped. Umpire will delay killing the ball until base runner reaches second base.
- c. Ball will stay live as long as the lead runner is still advancing and has not given up.

Section 11 8U Rules (Machine Pitch)

8u Machine Pitch League's emphasis is instructional. We want the Players to learn the concept of fastpitch and develop skills that will carry them to the

next levels. We also realize that the scoreboards are turned on, and it is a competitive game at all levels.

Teaching of Sportsmanship begins here for Players, Coaches, and Fans

11.1 Practice/Game

- a. The game will be either 6 innings long, or subject to a time limit.
- b. Speed up rules will be used. If your next inning catcher is on base with 2 outs, the player who made the last out will substitute run for her.
- c. A maximum of 5 pitches per batter, can foul off 5th pitch without penalty.
- d. A maximum of 6 runs per $\frac{1}{2}$ inning

11.2 Pitching Machine

- a. The pitching machine will straddle the pitching rubber.
- b. "Free Hit Zone": A 16 ft Diameter/ 8 ft Radius circle drawn around the machine, as well as a line on both the first and third base sides of the circle to mark the pitcher's position.
- c. No player may enter the "free hit zone" at any time. It is the responsibility of the coach to operate the pitching machine, and see that no player enters the "free hit zone". The coach may physically prevent any player from going into the "free hit zone."

by all coaches and umpires.

13.2 Unsportsmanlike behavior will not be tolerated.

13.3 Umpires should be fair, impartial, use good judgment and never speak rudely or out of turn to a player, coach or fan. An umpire puts a human element into the game. They are subject to making errors the same as coaches and players are subject to making mistakes. In the spirit of fair play and sportsmanship, we will not allow anyone to show disrespect towards them because of their decisions. USFA will do their part by pursuing the best decision makers to call USFA events.

13.4 Coaches will follow the rules of sportsmanship, never stall a game, be a graceful winner and loser, and never speak rudely or out of turn to a player, coach, fan or umpire. Coaches are also responsible for the sportsmanship of their own players and fans. Coaches should not tolerate unsportsmanlike conduct from their own players or fans.

Most importantly, our motto is **COMPETITIVE FUN**. It is everyone's responsibility to keep the game FUN. It is a game and games are supposed to be fun. Play hard, coach hard, and umpire hard. Spectators should enjoy the game and support their team when they are playing both good and bad.
