

## Bazxar launches 'A Gentleman's Pursuit'

DUBAI, 1<sup>st</sup> March 2017 – **Bazxar** restaurant and lounge in DIFC has launched a weekly gentleman's night entitled "A Gentleman's Pursuit". Launching to the public on Wednesday 15<sup>th</sup> March 2017, gentlemen across the city will have a go-to venue every Wednesday - an evening dedicated to them. Bazxar will encourage urban males to experience all things curated from specialists in their field. These connoisseurs of their craft will engage with guests to create memorable and informative evenings.

The gentleman's night will take place every week, with special collaborations from brands happening once a month. For the invite-only launch on the 8<sup>th</sup>, **Bazxar** has teamed up with brands including AURA Consultancy, Czar Shoes, Seven Fortunes Coffee, Akin Barber Shop and Sartor.

For Bazxar, AURA will be holding a master-class on how to make the perfect old-fashioned. One lucky guest will have the chance to win and host a master-class at their residence.

The luxury handmade brand *Czar* will have a selection of shoes on display where gents will be able to try them on and customize their own designs.

*AKIN Barber Shop*, an innovative brand that offers bespoke haircuts and beard tune-ups including straight razor shaves, will be collaborating with Bazxar on the night. Gents can enjoy a trim courtesy of Bazxar. This is also the perfect opportunity for gentlemen to have a consultation with an expert and create their coveted look.

*Seven Fortunes Coffee* is a local small-batch roaster and together with Bazxar team, they will be creating espresso infused drinks.

Sartor the bespoke suit brand will be onsite along with its stylist to advise gents on the looks of the season and offering customised solutions for their tailoring needs.

Bazxar is the perfect escape for busy Dubai residents or holidaymakers looking for a vibrant and cosmopolitan experience. Perfectly located at the Gate Precinct Building 4 in the DIFC, Bazxar is in the heart of thriving Dubai.
