

## CHINAWHITE LAUNCHES IN DUBAI

*Internationally renowned nightspot and celebrity favourite opens at the Grand Hyatt Dubai, hailing the re-birth of the original Chinawhite*

**DUBAI, UAE, 3rd April 2014** – Legendary nightclub Chinawhite has officially opened in Dubai, signaling the re-birth of the original celebrity haunt and worldwide renowned nightspot. Situated at the 5\* hotel Grand Hyatt, Chinawhite Dubai is open every Thursday and Friday from 10pm-3am, making it the ideal after-dark party destination.

Appealing to those who appreciate privacy, luxury and above all, a lifestyle experience, Chinawhite Dubai offers exclusivity and glamour – all to the backdrop of some of the world's hottest new trends in international club music. Original Chinawhite DJ Guy Preston, whose client base ranges from British Royalty to Hollywood A-List, will headline the nightclub's opening weekend, which takes place tonight and tomorrow (Thursday 3<sup>rd</sup> – Friday 4<sup>th</sup> April) and sets the tone for a whole host of guest DJs who will take to the decks over the coming months.

A dramatic, different and exciting addition to Dubai's nightlife scene, Chinawhite Dubai offers an oriental-inspired interior that encompasses the styles of Bali, Java and Sumatra whilst fusing a theatrical flair.

Original founders of Chinawhite, Rory Keegan, John Stephen and Patrice Gouty, have been supportive of the Dubai opening. Yacine Bouaouni, who was General Manager of the original nightclub from 2003 to 2008, is also part of the opening team and will remain in the UAE to head up the Chinawhite Dubai team to further add to the venue's authenticity.

Commenting on the launch, co-founder Rory Keegan said: "Chinawhite Dubai is the rebirth of the original Chinawhite. We're bringing back the true glamour, decadence and exclusivity that made it one of the most sought after destinations in the world. This time round, however, we're going one step further and taking it to the next level – while the interior

design is reminiscent of when Chinawhite first opened, we're adding a modern touch to bring even more glamour and glitz to the region."

Yacine Bouaouni, General Manager of Chinawhite Dubai, added: "Chinawhite is first and foremost about the people. Our aim is to give our guests a sense of exclusivity and allow them to experience the first class and bespoke service that Chinawhite is famed for. The result is an amazing venue, focused on quality but where people can come and feel at home."
