

## **Newly opened hair salon Colour Masters Dubai creates a buzz in Dubai Marina**

DUBAI – Khaled Kahel is the brainchild behind **Colour Masters Dubai**, a thriving new hair salon specializing in blonde highlights. Khaled Kahel, the director of **Colour Masters Dubai**, offers a professional and personalized hair service, with his expertise in colour.

Having developed a strong knowledge of colour during his time at the prestigious GeorgeG Hair & Beauty Salon in London, and completing colour courses for L'Oreal, Goldwell, Igora, Koleston Perfect, Revlon and Indola, Khaled obtained the knowledge needed to master the art of perfect hair colouring.

**Colour Masters Dubai** opened its doors in April 2013, just a few minutes walk from Jumeirah Beach Residence, with the salon facing the bay in Dubai Marina. Since branching out on his own, Khaled Kahel has worked with numerous famous faces and events. Recent notable achievements include collaborating with fashion designer Aiisha Ramadan for her fashion campaign videos, working at the Ariel Save Our Style Fashion show, Fashion Forward 2013, the Wella launch at the Rixos Hotel on Palm Jumeirah and the Harper's Bazaar World of Fashion 2013 at Mall of Emirates.
