The Fine Print: Please fold the shirts with the side you want to use in the quilt face up. Attach a note with any additional instructions to each shirt. Masking Tape works best for notes or numbering. If you have a layout that you would prefer, please include a sketch or photo.

Any special instructions should be included on this form, even if we have discussed them on the phone or in an email.

Price includes fabric, fusible stabilizer, batting, and professional machine quilting. **Additional Seams may add costs.** This includes joining front and back of shirts to make one block, adding fabric to make the block larger, adding fabric behind V-neck, tank tops, jerseys, etc. These charges might not appear on the original estimate, since they are unknown until we see your project.

Any quilt not paid for and picked up or shipped within 90 days of notification will become the property of TE's CREATIONS.

All Credit Card information will be destroyed and not stored at TE's CREATIONS.
