

H2O Agreement

As a Driving Instructor with H2O, I agree to the following:

1. I will always come ready to give you my very best attention and coaching. I will be alert, without fatigue or under the influence of alcohol or drugs. My aim to not only prepare you for your Practical Driving Test but beyond; giving you the skills and experience you need, so that once your are driving ‘solo’ you will have already been practising this (while I sit next to you).
2. I will always be kind, considerate and patient with you while making your lesson a positive experience.
3. I will promptly be on time. If for unforeseeable reason, I am late I will do my best to make contact with you and either extend your driving time at that lesson or ensure you gain the owed time (plus more) the very next drive.
4. If I am using your private vehicle, I will treat it with the same respect as my own.
5. Always carry my valid Licence and Industry Authority card
6. Always drive safely and respectfully, in consideration of other road users, while obeying all QLD traffic regulations and laws at all times
