

RECIPE

Cookies and Cream Icecream

Ready in **45 minutes**

Serves **4-6 people**

Ingredients

- 2c heavy whipping cream
- 1 ½ TBS sugar
- 1 TBS maple syrup
- 2 tsp vanilla extract
- Chocolate wafer cookies (I use Nabisco, Famous Chocolate Wafers)
- 1 small bag of ice enough to fill your size of ice cream maker.
- 1/4c kosher salt

Preparation

1. **In your ice cream maker combine cream, sugar, syrup, and vanilla**
2. Put ice and salt in the ice compartment of your maker.
3. Turn on your maker and let it make the ice cream until almost done.
4. Add in your wafer cookies and mix for about 2 minutes.
5. Scoop out and serve or freeze.

Tips

1. If you don't have an ice cream maker you can use a freezer bag and a bigger bag.
