Professional Experience

Research Project, University of Florida **2021—2023**

Undergraduate Research Assistant

Collaborated with head Sculpture Professor to sustain a research project to create musical compositions with termites. Supervised and maintained the integrity of the project by monitoring the health of materials.

HR Office Savers, Inc. **2019—2023**

Marketing and Social Media Manager (part-time)

Designed and published digital advertisements and backgrounds for online applications as a part-time employee for small human resource consulting firm. Sought out applicants, reviewed resumes for open positions, and shared with hiring manager. Created company logo, now trademarked.

Caregiver **2016—2023**

Babysitter/Nanny

Obtained first aid and CPR Certification for emergency preparedness. Performed weekly childcare and provided transportation for children of various ages for local families.

kbbCreations.com **2015—2023**

Independent Business Owner

Built a website and small business to sell handmade sculptures at local craft festivals and online. Notable venues include Jacksonville Zoo's Art in the Garden Festival, Gainesville Downtown Festival and Art Show, Rockledge Art and Craft Show, and Cocoa Village Art and Craft Festival.
