# OUR VISION

---

## VISION 01

Canroyal Manila's vision is to be globally recognized as a leader in the lubricant industry, distinguished by innovative products, sustainable practices, and exceptional customer relationships. We aim for our advanced, eco-friendly lubricants to be the preferred choice across various industries worldwide, contributing to enhanced efficiency and reduced environmental impact. We envision a diversified product portfolio that addresses evolving market needs, supported by a robust global distribution network. Canroyal aspires to be a beacon of corporate responsibility, known for both business success and positive contributions to society and the environment. Ultimately, we strive to be a company that consistently sets industry standards while remaining agile and responsive to the ever-changing landscape.

## VISION 02

To be the world's most trusted provider of advanced lubrication and filtration solutions — driving performance, efficiency, and sustainability across every industry we serve. We envision a future where Canroyal sets the global benchmark for quality, innovation, and environmental responsibility in fluid technology.

# OUR MISSION

---

## MISSION 01

Canroyal Manila's mission is to be a leader in the lubricant industry, recognized for an unwavering commitment to quality, innovation, and customer satisfaction. We aim to be a trusted partner that consistently delivers reliable, high-performance products exceeding industry standards. Our goal is to be a forward-thinking company that anticipates and shapes future demands while upholding the highest ethical standards and contributing positively to the environment and communities we serve. We define success through sustained profitability, customer satisfaction, innovation, and social responsibility, continuously developing new products and solutions to meet emerging needs and making a positive impact on all stakeholders.

## MISSION 02

Our mission is to deliver high-performance lubrication and filtration solutions that enhance equipment efficiency, extend lifespan, and reduce environmental impact. Through relentless innovation, global reach, and a commitment to quality, we empower industries to perform at their best — safely, sustainably, and cost-effectively.

# OUR PRODUCTS

## 1. Filtration Systems

Canroyal Manila's advanced filter technologies ensure optimal engine performance and equipment longevity. Our filter product line includes:

- Fuel/Water Separators – Remove water and contaminants for cleaner fuel flow.
- Lube Filters – Protects engine components by removing abrasive particles.
- Fuel Filters – Ensure efficient combustion and protect the fuel system.
- Lube Spin-On Filters – Easy-install filters for consistent oil cleanliness.
- Oil Filters – Promotes longer engine life by maintaining oil purity.
- Filter Element Kits – Convenient, cost-effective maintenance kits.

## 2. Lubrication Products

Manufactured in the Sultanate of Oman and certified under ISO 9001:2015, Canroyal Manila lubricants are designed to perform under the most demanding conditions. The product range includes:

- Full Synthetic Gasoline Engine Oils – SAE 0W16 to 5W40 (API SP, SN).
- Full Synthetic Diesel Engine Oils – SAE 10W30 and 15W40 (API CK-4, CI-4).
- Conventional Motor Oils – Cost-effective options like SAE 20W50 and 10W30.
- Semi-Synthetic Engine Oils – Balanced performance with various SAE grades.
- Automatic Transmission Fluids (ATF) – Including Dexron III, VI, and Full Synthetic variants.
- CVT Fluid – Specifically designed for Continuously Variable Transmissions.
- Gear Oils – High-performance SAE 75W-90 (API GL-5).
- Specialty Products – Flushing oil, hydraulic oil, brake fluid, outboard oil, and radiator coolant.
