

# Different ways that Students Learn

Does your child learn by seeing or watching things?

Child needs to see what is happening, pictures videos are great.

Does your child learn by reading and writing  
Child needs written instructions, a notepad and text to look at

Does your child Learn by Listening,  
Child needs conversations, out-loud reading and hearing about things

Does your child learn by hands on and moving  
Child needs to move around and ability to move – cannot sit still.
