Our goal is to provide a relaxed standard regarding what you might wear as you perform. Listed below are the preferred options of dress, but we will allow costumes used for competition purposes. If you plan to wear clothing from your wardrobe, choose clothing that matches the style you are dancing in.

Men: Black dress slacks, long-sleeved button-up shirt, black vest, tie to match partner, cowboy hat, cowboy boots or dance shoes.

Women: Plain-colored party dress or leotard with skirt, dance shoes.

Junior, Intermediate, and Full Bronze divisions will be assessed for technique and proficiency. Open Bronze is a specialized division allowing alternative figures and advanced styling and will be evaluated differently.

Rules of conduct:

- We ask that you be on time and in the ballroom wearing your costume for your event.
- Please check in with the principle before each and every heat.
- Present yourself well-poised with a respectful demeanor.
- While the event is in progress, there is no warming up on the dance floor.
- Please support the other performers by cheering and encouraging them.
