# THE EVERYTHING TO DO WITH SEX SHOW

The Everything To Do With Sex Show is a safe environment where you are invited to be educated by our experts, entertained by our performers, intrigued by demonstrations and wowed by our selection of products and services available at the Show.

Did you know that "Red" is the universal safeword? Consent is important in our promise of a safe environment. All attendees, exhibitors, performers, staff and special guests are to be treated with respect. If you experience or witness a consent incident, please notify show management immediately. Our complete consent policy can be found on our website [tabooshow.com](http://tabooshow.com) – or ask one of our staff!

Today's more open views on sex and relationships is exactly what The Everything To Do With Sex Show has been striving for, and we will continue to embrace and encourage the ever-changing view on what is Taboo.

We thank you for your continued support!
