About Us

The AI Billing LLC is a leading provider of advanced medical billing solutions, revolutionizing revenue cycle management for healthcare providers. Boasting over 15 years of industry experience, our specialized teams cater to all medical specialties, plus hospice, pharmacy, and laboratories. Partnering with industry-leading EMRs who utilize state-of-the-art technology, we ensure outstanding outcomes and use the expertise of our team to analyze coding and billing every quarter to guarantee precision and enhance revenue. The AI Billing LLC represents a futuristic approach, using modern tools to drive efficiency through intelligence.

Your Concerns, Our Expertise

Every Practice Has Challenges
We Have Solutions

Our Solutions

Choose what works for You
OR
How about we handle everything for you, and you focus on what you do best?

Revenue Cycle Management

Is your billing process slowing down your revenue? Our RCM experts can fix it. With over 15 years of experience in credentialing, coding, and billing, we streamline your operations and maximize your profits following MGMA standards.

Denial Management

Denial management can be tedious and resource-draining. At The AI Billing LLC, we turn this challenge into an opportunity. Our dedicated team expertly resolves denials and conducts thorough root cause analysis, ensuring efficient claim management. Let us streamline your denial process and maintain a healthy revenue increase, so you can focus on what truly matters — seeing more patients.

Credentialing Management

Simplify Your Credentialing process with The AI Billing LLC, managing credentialing can be overwhelming, consuming valuable time and resources. We transform this complex task into a smooth and efficient process. Our dedicated team expertly verifies and manages every provider's credential, ensuring reduced wait time and compliance. Many providers trust us to handle their credentialing, you can also be part of our completely satisfied client family.

A/R Management

Uncollected revenue doesn't have to be a loss. We will charge you only for the recovered amount from your AR. Our expert team ensures your practice gets back what it's owed, freeing up your resources for core activities.

Coding Management

Medical coding can be a complex maze, leading to costly errors and delays. At The AI Billing LLC, we simplify the process for maximum accuracy. Our expert team ensures accurate coding for every procedure and diagnosis by following AMA standards under the guidelines of CMS. Let us manage your medical coding, so you can focus on growing your practice.

MIPS Management

Navigating MIPS requirements can be daunting, often resulting in missed incentive opportunities. Here, at The AI Billing LLC, we transform MIPS management into a seamless experience, turning confusion into clarity. Our expert team keeps you informed and compliant, empowering you to optimize your performance and unlock maximum reimbursements. Our team has helped practices achieve their maximum annual bonus and avoided any kind of penalties.
