Scoutmaster's Monthly Minute: Leadership Lessons, Milestones, and Troop Highlights - Inspiring growth and celebrating our scouts' achievements with every message.

Greetings, Troop 242 Family

As we celebrate **60 years of service**, we honor the legacy of **WABC Troop 242**—an Afro-American troop in Houston, Texas—built on the foundation of **leadership, resilience, and community**. Our history is **Black History**, and our commitment to **Scouting and service** continues to shape young men into leaders of character.

This **February** was a testament to that legacy. We proudly placed **third in the Sam Houston Area Council 47th Annual First Aid Meet**, showcasing our scouts' preparedness and teamwork. We also gathered for **Scout Sunday**, attending **worship services at our chartered organization**, reaffirming our **Duty to God** and our commitment to the values that guide us.

A special congratulations to **William "Coley" Mouton** who completed his **Eagle Board of Review**, embodying the dedication and perseverance that define **WABC Troop 242**.

Our first camping trip of the year at **Cibolo Gardens** was not just an adventure but a moment of reflection. Around the campfire, we spoke of **Tradition and Legacy**—what it means to carry forward the values of those who came before us while forging new paths for those who will follow.

We also **welcomed 11 new scouts** from the WABC Pack 242 Arrow of Light ceremony, embracing the next generation who will continue our tradition of excellence. And as we closed out the month, we celebrated three **Apollo District awards** and the selection of our scouts to serve on **NYLT and summer camp staff**, ensuring that our leadership extends beyond our troop and into the broader scouting community.

This month has been a reminder that we are more than just scouts—we are history in the making. As we move forward, let us continue to uphold the values of **Scouting, Brotherhood, and Service**, strengthening the foundation laid 60 years ago.

WABC Troop 242, our legacy is strong, and our future is even brighter.

In gratitude and service,

SEDRIC D. MYERS
