

ANNUAL CEMETERY MASSES

Both Flatrock Memorial Gardens, St. Michael's Cemetery, in Flatrock and St. Agnes' Cemetery in Pouch Cove are owned and operated by the NEA-MGI. Prior to this, both were operated as Roman Catholic Cemeteries under the auspices of the Roman Catholic Archdiocese of St. John's.

The majority of those resting at both cemeteries are of the Roman Catholic Faith. To honor this and to recognize our history while also looking to the future, we continue to celebrate Cemetery Mass in the month of July at each cemetery. Mass is presided over by the Parish Priest for the Holy Trinity Parish currently based in the Holy Trinity Church, Torbay.
