FIRST HOME LIMA

Dear Future Homeowner:

It is great to hear of your interest in becoming a homeowner in Lima!

First Home Lima is designed to help low-income households achieve their dream of homeownership by helping the first-time homebuyer accumulate funds for down payment and closing costs.

The enclosed information answers questions about the program. The Chart of Activities shows the steps needed to complete the First Home Lima down payment assistance program. Once you review the accompanying information, if you have questions regarding the First Home Lima program, please contact the City of Lima Department of Housing & Neighborhoods at (419) 221-5146. Questions or assistance with completing the application should be directed to New Lima – Housing For The Future by telephone at (419) 224-9881 or by email at sfrenger@new-lima.org.

You will be required to complete a homeownership training program (after your application has been approved). Material covered includes financial literacy, budgeted and home repair and maintenance. Once your application is approved, you will be scheduled for your training.

The amount of down payment and closing cost assistance received will be based on household income level, debt to income ratio and the purchase price of the home. This amount will be determined after a purchase contract has been signed. If you live in the house for 5 years, you will not need to repay this loan from the City of Lima. Applicants must be pre-approved by a lender and be approved for the First Home Lima program **before** entering into a real estate purchase agreement.

After reviewing the information, fill out the enclosed application packet in its entirety (if a question is not applicable to your situation – answer with N/A – avoid leaving blank spaces), collect the required documents and return the packet to us at the address listed below. If you have questions regarding completion of this application or would like to schedule time to deliver your completed application, please reach out to New Lima – Housing For The Future at (419) 224-9881:

QUESTIONS AND ANSWERS ABOUT *FIRST HOME LIMA*

Q. *How does this program help me become a homeowner?*

A. The First Home Lima program provides education to prospective first-time homebuyers as well as linkage to down payment assistance funds

Q. *Who is eligible to participate in the program?*

A. One must meet the following requirements:

1. Be pre-approved for a mortgage with a lender
2. Looking to purchase a home within the City of Lima
2. Annual household income less than 80% of area median family income
3. Meet the definition of a first-time homebuyer
4. Applicants may not have already entered a real estate purchase contract before being approved for the First Home Lima down payment assistance program

Q. *What are the income limits for this area?*

A. The minimum gross income for the First Home Lima program is **\$25,000**.

B. The maximum gross income limit guidelines for 2025 - by family size are:

1 - \$51,800	5 - \$79,950
2 - \$59,200	6 - \$85,850
3 - \$66,600	7 - \$91,800
4 - \$74,000	8 - \$97,700

Q. *What is the definition of a "first-time homebuyer"?*

A. The City of Lima defines a first-time homebuyer as **someone who has not owned a home during the past 3 years**.

Even if you owned a home during the past 3 years, you may be considered a first-time homebuyer if you are...

1. Someone meeting the definition of a "displaced homemaker" or "single parent".

A **displaced homemaker** is an adult that has not worked full-time, full-year in the labor force for a number of years but has, during such years, worked primarily without remuneration to care for the home and family and is unemployed or underemployed and experiences difficulty in obtaining or upgrading employment.

A **single parent** is an individual who is unmarried or legally separated from a spouse and has one or more minor children for whom the individual has custody or is pregnant.

2. Someone who lives in manufactured housing not permanently affixed to a foundation.
3. An owner-occupant of a home not feasible for renovation.
4. An individual or continuing married couple who holds partial title, and are transferring your interest to another party. Income received in that transaction would be counted as an income asset, but that applicant would qualify as a first-time homebuyer.

If that applicant held partial title and lived in the property, it is still seen as partial title, and therefore could be eligible as a first-time homebuyer.

Q. *Are there any restrictions on which home I can buy with the help of this program?*

- A. Yes, the house you purchase under this program...
 - 1. Must be located within the City limits of Lima.
 - 2. Cannot be occupied by a renter at the time the offer is made to purchase the house. Federal regulations do not allow the renter to be involuntarily displaced. Also because of federal relocation regulations, the owner-occupant who sells a property must be informed of the fair market value of the property and that the property will not be purchased unless the seller voluntarily waives any relocation rights.
 - 3. Cannot be located in a designated flood plain or wet lands parcel. If it is located in an historic district or has historic significance, the buyer must agree to meet the conditions regarding any rehabilitation or painting in the present or the future.
 - 4. Must meet the City's property maintenance standards. The City must inspect the house for any property maintenance violations. The City will notify both the seller or seller's Realtor and you of any violations. ALL violations must be corrected prior to the closing or City funds will not be available.
 - 5. Must pass a Visual Assessment for deteriorated paint on the first inspection if the house was built prior to 1978.
 - 6. The value of the property cannot exceed \$209,000 for a one-family house and \$268,000 for a two-family house.
 - 7. First Home Lima down payment funding can only be approved if the monthly mortgage and housing costs (mortgage, interest, PMI, escrows) for the new home purchase do not exceed 35% of current gross household income.

Q. *Are there any other requirements after I purchase a house under this program?*

- A. Because HUD wants federal funds to benefit low-income households, the property is subject to recapture requirements for a period of 5 years. These restrictions are enforced through a promissory note and mortgage. There are no resale restrictions after 5 years.
- B. Homeowner's insurance must be purchased and maintained for 5 years. The City of Lima will verify this each year by requesting a copy of your insurance policy as well as proof of residency.
- C. You must live in the home for 5 years or repay the loan.

Q. *Is this a loan or a grant?*

- A. It is a loan for the amount given for down payment and closing costs. But if you live in the house for 5 years you will not need to repay the loan. For each year you live in the house, 20% of the loan from the City of Lima is forgiven. If you sell, convey or transfer the property the balance of the loan is due in full. In case of a default on the loan (renting it out or it is no longer your primary residence) the original amount of the loan is due in full.
- B. This is a one-time per person loan opportunity as defined by "First Time Homebuyer" (see definition).
