EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

Item No. 4:-

The existing Articles of Association ("AoA") are based on the Companies Act, 1956 and several regulations in the existing AoA contain references to specific sections of the Companies Act, 1956. With enforcement of the Companies Act, 2013, various provisions of the Companies Act, 1956 have become ineffective and in view of the same, the AoA of the Company need to be re-aligned as per the provisions of the new Act.

The Board of Directors at its meeting held on 23.08.2017 decided to incorporate/substitute/alter certain provisions as per the latest amendments of the Companies Act, 2013. As this would result in a number of changes in the existing AoA of the Company, it was decided to adopt a new set of AoA in place of and in exclusion to the existing AoA of the Company.

In terms of Section 14 of the Companies Act, 2013, the consent of the Members by way of Special Resolution is required for adoption of new set of AoA of the Company.

A copy of the proposed set of new AoA of the Company would be available for inspection at the Registered Office of the Company during the office hours on all working days between 10.00 a.m. and 1.00 p.m. upto the date of the Annual General Meeting and during the Annual General Meeting.

The Board recommends the Special Resolution as set out at item no. 4 of the Notice for your approval.

None of the Directors and Key Managerial Personnel of your Company or relatives of Directors/ Key Managerial Personnel are concerned or interested in the said resolution.

Item No.5:-

The existing Clause - IV of the Memorandum of Association which is the Liability Clause is based on the Companies Act, 1956. With enforcement of the Companies Act, 2013, Company need to re-aligned the said clause as per the provisions of the new Act. And therefore the company proposes to later its liability clause by inserting the Clause, "The liability of the member(s) is limited and this liability is limited to the amount unpaid, if any, on the shares held by them".

The Board of Directors at its meeting held on 23.08.2017 decided to alter its liability clause as per the latest amendments of the Companies Act, 2013.

In terms of Section 14 of the Companies Act, 2013, the consent of the Members by way of Special Resolution is required for Alteration in Liability Clause.

A copy of the proposed set of new MOA of the Company would be available for inspection at the Registered Office of the Company during the office hours on all working days between 10.00 a.m. and 1.00 p.m. upto the date of the Annual General Meeting and during the Annual General Meeting.

Item No.6:

As per the provisions of Section 186 of the Companies Act, 2013, a Company, without approval of the shareholders by passing a Special Resolution, cannot give any loan to any person or other body corporate/give any guarantee or provide security in connection with a loan taken by other body corporate or person or acquire by way of subscription, purchase or otherwise, securities of anybody corporate exceeding) (i) Sixty per cent of its paid up capital, free reserves and securities premium account; or ii) One hundred per cent of its free reserves and securities premium account, whichever is more.

Our Company has embarked upon a growth path and is constantly reviewing opportunities for expansion of its business operations & therefore it may require to provide support to meet long term financial and working capital requirements by way of loan(s) and/or guarantee(s) and/or security (ies) / investment in securities of such other bodies corporate. It is, therefore, proposed that the Board of Directors of the Company be authorized to invest by way of subscription and/or purchase of securities, grant of loan(s), giving of guarantee(s) and/or providing of security (ies) for an amount not exceeding Rs.100 Crores from time to time in/to one or more of the persons/entities i.e. other bodies corporate. The source of funds for making these investments would be surplus funds generated by the Company through operations or from such other sources as the Board may deem appropriate. Since the investments, loans, guarantees and/or securities proposed together with the loans and investments already made, guarantee and securities already given may exceed the limits as specified in Section 186 of the Companies Act, 2013 read with Companies (Meetings of Board & its Powers) Rules, 2014, approval of the members is required for the same.

The Board of Directors accordingly recommends the resolution as set out at Item No.6 of the Notice for your approval. None of the Directors and Key Managerial Personnel of your Company or their relatives are concerned or interested in the said resolution.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. Industry Structure and Development

Manned guarding contributes more than 90% of the private security services industry, and is estimated to employ more than 6 million people. While electronic security services is a substantial opportunity (albeit significantly smaller than manned guarding), it is primarily dominated by large international OEMs and building solutions provider. Security service companies typically provide electronic security services as an add-on service to their existing customers, and are involved in installation, monitoring and maintenance.

2. Opportunities and Threats

The Company has an integrated approach to managing the risks inherent in various aspects of its business. As a part of this approach, the Board of Directors is responsible for monitoring risk levels on various parameters, and the Board of Directors supported by professionals in various fields is responsible for ensuring implementation of mitigation measures, if required. The Audit Committee provides the overall direction on the risk management policies. The overall economic environment will have a strong bearing on how things shape in the coming years. Falling prices of the electronic products due to increasing competitiveness with the introduction of multiple variants in each product are potential risks. The overall Industrial and Business sentiment has been low during the last financial year. Your Company therefore has planned to introduce high quality technically advanced gadgets in the Company's product basket once it meets the working capital requirement to start its operations in full capacity, which will expedite its revival scheme. The Company has already ventured into manufacturing and dealing of high quality CCTV cameras and Digital Video Recorders (DVR) meant for CCTV Cameras. Your Company, however, is confident that with further improvement in quality, competitively priced products and their utility, it will be able to expand its market share.

3. Segment wise performance

The Company has been operating in the electronic industry and dealing and manufacturing only electronic products including Security & Surveillance related electronic equipment. The Company's products are mainly electronic and therefore there is a single segment of operation.

4. Outlook

There is a demand for video streaming solutions like the one our Company has and so we can expand in this space as soon as the product gets ready.

5. Risks & Concern

We are dependent on our suppliers for our products and any issues on their side affect our ability to deliver our services to our customers. With the advent of 4G being launched in various cities in India there is a risk in terms of the need for bandwidth aggregation.

Concern: Due to sourcing and delivery mechanism set in the company at this point of time there is a concern on us being able to meet the delivery commitments as per the expectations of the customer.

6. Internal Control System & their adequacy

There are control mechanisms set in each function to ensure that adequate checks and balances are put in place to ensure that the system is working adequately and properly. However there may be chances for the process to slow up due to some dependencies on external parties involved which are not directly in the control of the Company.

7. Financial Performance:

Share Capital:

The Paid up Share Capital of the Company as on 31st March, 2017 stands at Rs. 155000000/-divided into 15500000 equity shares of Rs. 10/-each fully paid up.

Reserves and Surplus:

The Reserves and Surplus is Rs. 11,44,49,420/-as on the end of the Current year.

Total Income:

During the year under consideration, total income is Rs.8,77,10,053/-

7. Employee Relations

The Company had smooth relations with its employees during the year under review.

9. Material Development in Human Resource

The Company continues to have excellent employee relations. Your Directors acknowledge and thank the employees for their continuous support. The Company has strong commitments to follow the best of the HR practices and believes in up-lifting the overall competence of its employees through regular training, workshops and seminars.

"Annexure B" to the Independent Auditor's Report of even date on the Financial Statements of VCU Data Management Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of VCU DATA MANAGEMENT LIMITED ("the Company") as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the

audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India
