**NOTES:**

1. The Ministry of Corporate Affairs ('MCA'), inter-alia, vide its General Circulars and subsequent circulars issued in this regard, (collectively referred to as 'MCA Circulars') along with the Circulars issued by SEBI ("the Circulars"), has permitted the holding of the AGM through Video Conferencing ('VC') or through Other Audio-Visual Means ('OAVM'), without the physical presence of the Members at a common venue.
2. The attendance of the Members attending the AGM/EGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
3. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM/EGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM/EGM through VC/OAVM and cast their votes through e-voting.
4. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at [www.vcupack.in](http://www.vcupack.in). 5. Explanatory Statement, pursuant to Section 102 of the Companies Act, 2013 ('the Act'), relating to the Ordinary Business to be transacted at this Annual General Meeting ('AGM') is annexed.
6. Since this AGM will be held through Video Conferencing ('VC') / Other Audio Visual Means ('OAVM'), (a) Members will not be able to appoint proxies for the meeting, and (b) Attendance Slip & Route Map are not annexed to this Notice.
7. Corporate Members are requested to send a certified copy of the Board Resolution authorising their representative to attend this AGM, pursuant to Section 113 of the Act, through e-mail at [vcudatamanagement@gmail.com](mailto:vcudatamanagement@gmail.com), or by post to the Investor Service Centre of the Company : Office No. 721 Metroplex 14 B Wing, Ijmima. Opp Sony Tv Building, Link Road, Malad (W), Mumbai 400064.
8. In terms of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014, the Resolutions for consideration at this AGM will be transacted through remote e-voting (i.e. facility to cast vote prior to the AGM) and also e-voting during the AGM, for which purpose the Board of Directors of the Company ('the Board') have engaged the services of National Securities Depository Limited ('NSDL'). The Board has appointed Mr. Suhas Bhattbhatt, Proprietor, M/s. S bhattbhatt & Co., Practising Company Secretary as the Scrutinizer to scrutinize the process of e-voting.
9. Remote e-voting will commence at 9.00 a.m. on Wednesday, 25<sup>th</sup> September, 2024 and will end at 5.00 p.m. on Friday, 27<sup>th</sup> September, 2024, when remote e-voting will be blocked by NSDL.
10. Voting rights will be reckoned on the paid-up value of shares registered in the name of the Members on Friday, 20<sup>th</sup> September, 2024 (cut-off date). Only those Members whose names are recorded in the Register of Members of the Company or in the Register of Beneficial Owners maintained by the Depositories as on the cut-off date will be entitled to cast their votes by remote e-voting or e-voting during the AGM. Those who are not Members on the cut-off date should accordingly treat this Notice as for information purposes only.
11. In conformity with the applicable regulatory requirements, the Notice of this AGM and the Report and Accounts 2024 are being sent only through electronic mode to those Members who have registered their e-mail addresses with the Company or with the Depositories.
12. Members who hold shares in the certificate form or who have not registered their e-mail addresses with the Company or with the Depositories and wish to receive the AGM Notice and the Report and Accounts 2024, or participate in the AGM, or cast their votes through remote e-voting or e-voting during the meeting, are

16. In case of any queries regarding the Annual Report, members may write to [vcudatamanagement@gmail.com](mailto:vcudatamanagement@gmail.com) to receive an email response. Members desiring any information relating to the financial statements at the meeting are requested to email to us at least 10 (Ten) days before the meeting to enable us to keep the information ready.
17. Members are requested to forward all Share Transfers and other communications/ correspondence to the Registrar & Share Transfer Agent (RTA) and are further requested to always quote their Folio Number in all correspondences with the Company.
18. Members holding shares in physical form are requested to notify immediately any change in their address or bank mandates to the Registrar & Share Transfer Agents quoting their Folio Number and Bank Account Details along with self-attested documentary proofs. Members holding shares in the dematerialized form may update such details with their respective Depository Participants.
19. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are therefore requested to submit their respective PAN details to their respective Depository Participant with whom they have their demat account(s). Members holding shares in physical form can submit their PAN details to the Registrar & Share Transfer Agent of the Company - M/s. Skyline Financial Services Pvt. Ltd.
20. Non Resident Indian members are requested to inform the Company's RTA, immediately of any change in their residential status on return to India for permanent settlement, their bank account maintained in India with complete name, branch, account type, account number and address of the bank with pin code, IFSC and MICR Code, as applicable, if such details were not furnished earlier.
21. The Notice of 12<sup>th</sup> Annual General Meeting and instructions for e-voting along with Assent / Dissent Form are being sent by electronic mode to all members whose email address are registered with the Company/Depository Participant(s).
22. To facilitate other shareholders whose email id are not registered, to receive this notice electronically and cast their vote electronically, special arrangement has been made with its Registrar & Share Transfer Agent for registration of email addresses in terms of the General Circular No. 14/2020 dated 08th April, 2020, 17/2020 dated 13th April, 2020, dated 15/06/2021, NO.33/2020 dated 28/09/2020, 39/2020 dated 31/12/2020, 10/2021 dated 23rd June, 2021 respectively. The process for registration of email addresses is as under:

23. Pursuant to the aforesaid Circular issued by Ministry of Corporate Affairs, shareholders who have not registered their email address may temporarily get their email address registered with the Company's Registrar and Share Transfer Agent, M/s. Skyline Financial Services Pvt. Ltd. At [www.skylinerta.com](http://www.skylinerta.com) Post successful registration of the email, the shareholder would get soft copy of the notice and the procedure for e-voting along with the User ID and Password to enable e-voting at the ensuing AGM. In case of any queries, shareholder may write to [pravin.cm@skylinerta.com](mailto:pravin.cm@skylinerta.com)
24. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at [www.vcupack.in](http://www.vcupack.in). The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at [www.bseindia.com](http://www.bseindia.com) and the same is also available on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. <https://nsdl.co.in/>.
25. The facility for voting shall be made available at the venue of the Annual General Meeting and the members attending the meeting who have not already cast their vote by remote e-voting shall be able to exercise their right to vote at the Annual General Meeting. The members who have cast their vote by remote e-voting prior to the Annual General Meeting may also attend the Annual General Meeting but shall not be entitled to cast their vote again.
26. Pursuant to the provisions of Section 72 of the Act read with the Rules made there under, Members holding shares in single name may avail the facility of nomination in respect of shares held by them. Members holding shares in physical form may avail this facility by sending a nomination in the prescribed Form No. SH-13 duly filled to the Registrar and Transfer Agents, M/s Skyline Financial Services Pvt. Ltd. Members holding shares in electronic form may contact their respective Depository Participant(s) for availing this facility.
27. The Ministry of Corporate Affairs (MCA), Government of India, through its Circular No's 17/2011 and 18/2011 dated April 21, 2011 and April 29, 2011 respectively has allowed Companies to send official documents to their shareholders electronically as part of its Green Initiatives in Corporate Governance.
28. We request you to send an email on [vcudatamanagement@gmail.com](mailto:vcudatamanagement@gmail.com) to ensure that the annual report and other documents reach you on your preferred e-mail.
29. With the aim of curbing fraud and manipulation risk in physical transfer of securities, SEBI has notified the SEBI (Listing Obligations and Disclosure Requirements) (Fourth Amendment) Regulations, 2018 on June 8, 2018 to permit transfer of listed securities only in the dematerialized form with a depository. In view of the above and the inherent benefits of holding shares in electronic form, we urge the shareholders holding shares in physical form to opt for dematerialization.

**30. THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:**

- (i) The voting period begins on Wednesday, 25th September, 2024 at 09:00 A.M. and ends on Friday, 27th September, 2024 at 05:00 P.M. During this period, shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 20<sup>th</sup> September, 2024 may cast their vote electronically. The e-voting module shall be disabled by NSDL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

**MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

**1. Industry Structure and Development**

The outlook is positive for India, one of the fastest-growing economies. Fostering private investment and careful management of public finances could help the economy go a long way. During fiscal 2024, we witnessed acceleration in the adoption of digital technologies as businesses attempted to re imagine their cost structures, increase business resilience and agility, personalize experiences for their customers and employees, and launch new and disruptive products and services.

Our strategic objective is to build a sustainable organization that remains relevant to the agenda of our clients, while creating growth opportunities for our employees, generating profitable growth for our investors and contributing to the communities that we operate in.

**2. Opportunities and Threats**

The Company has an integrated approach to managing the risks inherent in various aspects of its business. As a part of this approach, the Board of Directors is responsible for monitoring risk levels on various parameters, and the Board of Directors supported by professionals in various fields is responsible for ensuring implementation of mitigation measures, if required. The Audit Committee provides the overall direction on the risk management policies.

The journey to the digital future requires not just an understanding of new technologies and new ways of working, but a deep appreciation of existing technology landscapes, business processes and practices. Falling prices of the electronic products due to increasing competitiveness with the introduction of multiple variants in each product are potential risks.

The overall Industrial and Business sentiment has been low during the last financial year. Your Company therefore has planned to introduce high quality technically advanced gadgets in the Company's product basket once it meets the working capital requirement to start its operations in full capacity, which will expedite its revival scheme. The Company has already ventured into manufacturing and dealing of high quality CCTV cameras and Digital Video Recorders (DVR) meant for CCTV Cameras. Your Company, however, is confident that with further improvement in quality, competitively priced products and their utility, it will be able to expand its market share.

**3. Segment wise performance**

The Company has been operating in the electronic industry and dealing and manufacturing only electronic products including Security & Surveillance related electronic equipment. The Company's products are mainly electronic and therefore there is a single segment of operation.

**4. Risks & Concern**

Our client contracts can typically be terminated because of delayed product supply, which could negatively impact our revenues and profitability.

A large part of our revenues are dependent on our limited number of clients, and the loss of any one of our major clients could significantly impact our business. The after effects of Covid-19 pandemic, loss of client, may be a serious concern for the company for loss of client.

**5. Internal Control System & their adequacy**

There are control mechanisms set in each function to ensure that adequate checks and balances are put in place to ensure that the system is working adequately and properly. However, there may be chances for the process to slow up due to some dependencies on external parties involved which are not directly in the control of the Company.

**6. Financial Performance:**

**Share Capital:**

The Paid up Share Capital of the Company as on 31st March, 2024 stands at Rs. 1,550.00 Lakhs divided into 15500000 equity shares of Rs. 10 each fully paid up.

**Reserves and Surplus:**

The Reserves and Surplus is Rs. 1,439.51 Lakhs as on the end of the Current year.

**Total Income:**

During the year under consideration, total income is Rs 138.83 Lakhs

**7. Employee Relations**

The Company had smooth relations with its employees during the year under review.

**8. Material Development in Human Resource**

The Company continues to have excellent employee relations. Your Directors acknowledge and thank the employees for their continuous support. The Company has strong commitments to follow the best of the HR practices and believes in up-lifting the overall competence of its employees through regular training, workshops and seminars.

**9. Details of significant changes (i.e. change of 25% or more as compared to the immediately previous financial year) in key financial ratios, along with detailed explanations therefore:**

Particular	2023-24	2022-23	Reason for Change

## **INDEPENDENT AUDITOR'S REPORT**

To  
The Members of  
**VCU DATA MANAGEMENT LIMITED**

### **REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS**

#### **Opinion**

We have audited the accompanying financial statements of **VCU Data Management Limited** ("the Company"), which comprise the balance sheet as at March 31, 2024, the Statement of Profit and Loss, including the statement of Other Comprehensive income, statement of cash flows, and the Statement of Changes in Equity for the year then ended for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, its Profit / Loss and cash flows for the year ended on that date.

#### **Basis for opinion**

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the Financial Statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Key audit matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters below to be key audit matters to be communicated in our report:

##### **Key audit matters**

##### **Expected credit loss allowances**

Recognition and measurement of impairment of financial assets involve significant management judgement. With the applicability of Ind AS 109, credit loss assessment is now based on expected credit loss (ECL) model. The Company's impairment allowance is derived from estimates including the historical default and loss ratios. Management exercises judgement in determining the quantum of loss based on a range of factors. The most significant areas are loan staging criteria, calculation of probability of default / loss and

##### **How the matter was addressed in our Audit**

In view of the significance of the matter we applied the following audit procedures, on test check basis, in this area, among others to obtain reasonable audit assurance:

- We evaluated management's process and tested key controls around the determination of extent of requirement of expected credit loss allowances, including recovery process & controls implemented in the company for trade receivables and other financial assets. It was explained to us by the management that the control exists relating to the recovery of receivables, including those aging for large periods

consideration of probability weighted scenarios and forward-looking macroeconomic factors. There is a large increase in the data inputs required by the ECL model. This increases the risk of completeness and accuracy of the data that has been used to create assumptions in the model. In some cases, data is unavailable and reasonable alternatives have been applied to allow calculations to be performed. *As per management opinion, there is no expected credit loss in several financial assets including the trade receivables and other financial assets of the Company and all are on fair value, based on the assessment and judgement made by the board of the company.*

### Revenue Recognition

The principal business of the company is sale of surveillance products.

Revenue from sale is recognized upon transfer of significant risk and reward & transfer of control of goods to customers.

We identified revenue recognition as a key audit matter because there is a risk of revenue considering the judgements involved in the revenue recognition for services.

and in the opinion of the board there is no requirement making expected credit loss allowance.

- We have also reviewed the management response and representation on recovery process initiated for sample receivables, and based on the same we have place reliance on these key controls for the purposes of our audit.

In view of the significance of the matter we applied the following audit procedures, on test check basis, in this area, among others to obtain reasonable audit assurance:

- Assessed the appropriateness of the revenue recognition accounting policies, by comparing with applicable accounting standards.
- Evaluated the design of controls and operating effectiveness of the relevant controls with respect to revenue recognition and accounting
- for services/sales.
- Performed substantive testing by selecting samples of revenue transactions recorded during the year by verifying the underlying documents.
- Carried out analytical procedures on revenue recognized during the year to identify unusual variances.
- Performed confirmation procedures on trade receivable balances at the balance sheet date on a sample basis.
- Tested, on a sample basis, specific revenue transactions recorded before and after the financial year end date to determine whether the revenue had been recognised in the appropriate financial period.

### Appropriateness of Current and Non-Current Classification

For the purpose of current & non-current classification the Company has considered its normal operating cycle as 12 Months and the same is based on services provided, acquisition of assets or inventory, their realization in cash and cash equivalents. The classification is either done on basis of documentary evidence and if not then on the basis of managements best estimate of period in which asset would be realized or liability would be settled

### Information other than the Financial Statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

### **Management's responsibility for the Financial Statements**

The Company's board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's responsibilities for the audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify

our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on other legal and regulatory requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
  - (d) In our opinion, the aforesaid Financial Statements comply with the accounting standards specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014;
  - (e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the board of directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act;
  - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting;

- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;
- a. The Company does not have any pending litigations which would impact its financial position.
  - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
  - c. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company
  - d. (i) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
  - (ii) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
  - (iii) Based on such audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
  - e. No dividend has been declared or paid during the year by the Company.
  - f. Based on our examination which included test checks, the company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the company as per the statutory requirements for record retention.

- (xiv) Based on information and explanations provided to us and our audit procedures, in our opinion, though the company is required to have an internal audit system under section 138 of the Act. As informed to us the company is having an inhouse internal audit team and they review the books of accounts on periodical basis, however we have not received any reports for the same.

- (xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence requirement to report on clause 3(xv) of the Order is not applicable to the Company.

- (xvi) (a) In our opinion, the Company became applicable for registration with Reserve Bank of India as required under Section 45-IA of the Reserve Bank of India Act, 1934. However, as informed to us and referring to note no. 47 of the audited financial statements, the management is in the Process of identifying better business opportunity and in the meantime, to generate returns from idle funds, these funds have been invested in interest-bearing assets. These funds will be utilized once a suitable business opportunity is identified.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not conducted any Non-Banking Financial or Housing Finance activities without obtaining a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.

(c) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.

(d) There is no Core Investment Company as a part of the Group, hence, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.

- (xvii) The Company has not incurred cash losses in the current financial year.
- (xviii) There has been no resignation of the statutory auditors during the year and accordingly requirement to report on Clause 3(xviii) of the Order is not applicable to the Company.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due
- (xx) In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Companies Act, 2013 pursuant to any project. Accordingly, the requirement to report on clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable to the company.

## **ANNEXURE B TO AUDITORS' REPORT**

[Referred to in Clause (f) in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors Report of even date]

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **VCU Data Management Limited**. ("the Company") as of March 31, 2024 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and

directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has, in general, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were found operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company. However, the same needs to be further improved and formally documented in view of the size of the company and nature of its business, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Note 1 NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2024**

**1.01 Information about Company**

VCU Data Management Limited (Company or VCU) was incorporated on 13th Mar 2013. Company is into Surveillance Product Industry.

**1.02 Basis of preparation of financial statements**

The financial statements are prepared in accordance with Ind AS notified under section 133 of the Companies Act 2013, read with relevant rules issued thereunder.

The financial statement of the Company for year ended March 31, 2024 were authorised for issue in accordance with a resolution of the Board of Directors.

**Basis of measurement**

The financial statements have been prepared on the historical cost basis except for the following -

- Certain financial assets and liabilities (Shares, Derivative instruments etc) that are measured at fair value
- Share based payments

**1.03 Functional and presentation currency**

Items included in the financial statements of Company are measured using the currency of the primary economic environment in which the Company operates ("the functional currency"). Indian rupee is the functional currency of the Company.

**1.04 Use of estimates**

The preparation of financial statements in conformity of Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, the disclosures of contingent assets and contingent liabilities at the date of financial statements, income and expenses during the period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in future periods which are affected.

Application of accounting policies that require critical accounting estimates and assumption having the most significant effect on the amounts recognised in the financial statements are:

Valuation of financial instruments  
Valuation of derivative financial instruments  
Useful life of property, plant and equipment  
Useful life of investment property  
Provisions  
Recoverability of trade receivables

**Summary of significant accounting policies**

**1.05 Current versus non-current classification**

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

## **1.06 Fair value measurement**

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

**Level 1** - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

**Level 2** - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

**Level 3** - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company's Management determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for distribution in discontinued operations.

At each reporting date, the Management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Company's accounting policies. For this analysis, the Management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The Management also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

Disclosures for valuation methods, significant estimates and assumptions.

Financial instruments (including those carried at amortised cost).

## **1.07 Revenue recognition**

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

**Revenue from sale of goods -**

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of GST, value added taxes, service tax, discounts, rebates and incentives. The Company recognises revenue when the amount of revenue can be reliably measured and it is probable that future economic benefits will flow to the Company.

**Interest and dividend income -**

The interest and dividends are recognised only when no uncertainty as to measurability or collectability exists. Interest on fixed deposits is recognised on time proportion basis taking into account the amount outstanding and the rate applicable.

**1.08 Inventories**

Inventories are valued at the lower of cost or net realisable value.

**1.09 Foreign currency transactions and translation**

- i) Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated in functional currency at closing rates of exchange at the reporting date.
- ii) Exchange differences arising on settlement or translation of monetary items recognised in statement of profit and loss.

**1.10 Taxes**

**Current income tax**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The Company determines the tax as per the provisions of Income Tax Act 1961 and other rules specified thereunder.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

**1.11 Deferred tax**

Deferred tax is provided in full using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except when the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity .

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

#### **1.12 a) Property, plant and equipment**

Property, plant and equipment is stated at cost less accumulated depreciation and where applicable accumulated impairment losses. Property, plant and equipment and capital work in progress cost include expenditure that is directly attributable to the acquisition of the asset. The cost of self-constructed assets includes the cost of materials, direct labour and any other costs directly attributable to bringing the asset to a working condition for its intended use, and the costs of dismantling and removing the items and restoring the site on which they are located. Purchased software that is integral to the functionality of the related equipment is capitalized as part of that equipment.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

##### **Subsequent Cost**

The cost of replacing part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of the replaced part is de-recognised and charged to the statement of Profit and Loss. The costs of the day-to-day servicing of property, plant and equipment are recognised in the Statement of Profit and Loss.

##### **b) Intangible assets**

Intangible assets are stated at cost less accumulated amortisation and impairment loss. The system software which is expected to provide future enduring benefits is capitalised. The capitalised cost includes license fees and cost of implementation/system integration.

##### **Depreciation and amortisation**

The depreciation on tangible assets is provided at the rates and in manner prescribed under Part C of Schedule II to the Companies Act 2013.

The Company Follow WDV Method For Depreciation.

Computer software is amortised over a period of 5 years.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

##### **Derecognition of assets**

An item of property plant & equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset is included in the income statement when the asset is

#### **1.13 Investment property**

Property that is held for long term rental yield or for capital appreciation or both, and that is not occupied by the Company, is classified as Investment property. Investment properties measured initially at cost including related transitions cost and where applicable borrowing cost. Subsequent expenditure is capitalised to the assets carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the entity and the cost of the item can be measured reliably. All other repairs and maintainance costs are expensed when incurred. When part of an investment property is incurred the carrying amount of replaced part is derecognised.

Investment properties other than land are depreciated using SLM method over the estimated useful life of assets prescribed by the Schedule II to the Companies Act 2013 i.e. 60 years.

#### **1.14 Borrowing costs**

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an

#### **1.15 Contingent liabilities**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The contingent liability is not recognised in books of account but its existence is

#### **1.16 Impairment of non-financial assets**

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or Company's assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired. Company has written off Fixed Assets during the year as according to management all this assets are not in existence & written off long back in its books and presently standing at zero value.

#### **1.17 Provisions**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

#### **1.18 Financial instruments**

##### **Initial recognition**

The company recognise the financial asset and financial liabilities when it becomes a party to the contractual provisions of the instruments. All the financial assets and financial liabilities are recognised at fair value on initial recognition, except for trade receivable which are initially recognised at transaction price. Transaction cost that are directly attributable to the acquisition of financial asset and financial liabilities, that are not at fair value through profit and loss, are added to the fair value on the initial recognition.

***Subsequent measurement***

**(A) Non derivative financial instruments**

**(i) Financial Assets at amortised cost**

A financial assets is measured at the amortised cost if both the following conditions are met :

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. All the Loans and other receivables under financial assets (except Investments) are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Trade receivables do not carry any interest and are stated at their nominal value as reduced by impairment amount.

**(ii) Financial Assets at Fair Value through Profit or Loss/Other comprehensive income**

Instruments included within the FVTPL category are measured at fair value with all changes recognised in the Statement of Profit and Loss.

If the company decides to classify an instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the company may transfer the cumulative gain or

**(iii) Financial liabilities**

The measurement of financial liabilities depends on their classification, as described below:

**(a) Loans and borrowings**

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest rate (EIR) method. However, the Company has borrowings at floating rates. Considering the impact of restatement of Effective interest rate, transaction cost is being amortised over the tenure of loan and borrowing.

**(b) Trade & other payables**

After initial recognition, trade and other payables maturing within one year from the Balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

**(B) Derivative financial instruments**

The company holds derivatives financial instruments such as foreign exchange forward and option contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. Company has taken all the forward contract from the bank.

**The company have derivative financial assets/financial liabilities which are not designated as hedges;**

Derivatives not designated are initially recognised at the fair value and attributable transaction cost are recognised in statement of profit and loss, when incurred. Subsequent to initial recognition, these derivatives are measured at fair value through profit and loss. Asset/Liabilities in this category are presented as current asset/current liabilities.

***Derecognition***

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

### 1.19 Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, as they are considered an integral part of the Company's cash

### 1.20 Earnings per share

Basic earnings per share is computed by dividing the net profit attributable to equity shareholders for the year, by the weighted average number of equity shares outstanding during the year, adjusted for bonus element in equity shares issued during the year.

Diluted earnings per share is computed by dividing the net profit attributable to equity shareholders for the year, by the weighted average number of equity shares outstanding during the year after giving effect to all dilutive potential equity shares.

There have been no transfers among Level 1, Level 2 and Level 3 during the period.

The management assessed that cash and cash equivalents, Trade receivable and other financial asset, trade payables and other financial liabilities approximate their carrying amount largely due to short term maturity of these instruments.

**36 Financial risk management objectives and policies**

The risk management policies of the Company are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

The Management has overall responsibility for the establishment and oversight of the Company's risk management framework.

In performing its operating, investing and financing activities, the Company is exposed to the Credit risk, Liquidity risk and Market risk.

**Carrying amount of financial assets and liabilities:**

The following table summaries the carrying amount of financial assets and liabilities recorded at the end of the period by categories:

Particulars	As at 31 March 24	As at 31 March 23

### 37 Credit risk on financial assets

Financial assets that are potentially subject to concentrations of credit risk and failures by counterparties to discharge their obligations in full or in a timely manner consist principally of cash balances with banks, cash equivalents and receivables, and other financial assets. The maximum exposure to credit risk is: the total of the fair value of the financial instruments and the full amount of any loan payable commitment at the end of the reporting year. Credit risk on cash balances with banks is limited because the counterparties are entities with acceptable credit ratings. Credit risk on other financial assets is limited because the other parties are entities with acceptable credit ratings.

Cash and cash equivalents balances generally represent short term deposits with a less than 180-day maturity.

As part of the process of setting customer credit limits, different credit terms are used. The average credit period generally granted to trade receivable customers is about 90-360 days. But some customers take a longer period to settle the amounts.

### 38 Exposure to credit risk

Financial asset for which loss allowance is measured using expected credit loss model

Particulars	As at 31 March 24	As at 31 March 23
<b>Financial assets</b>		
Non current investment	-	-
Cash and cash equivalent	78.99	29.90
Trade receivables	-	180.47
Loans	2,307.00	2,180.00
<b>At end of the year</b>	<b>2,385.99</b>	<b>2,390.37</b>

With the applicability of Ind AS 109, the recognition and measurement of impairment of financial assets is based on credit loss assessment by expected credit loss (ECL) model. The ECL assessment involve significant management judgement. The Company's impairment allowance is derived from estimates including the historical default and loss ratios. Management exercises judgement in determining the quantum of loss based on a range of factors, like staging criteria, calculation of probability of default / loss and consideration of probability weighted scenarios and forward looking macroeconomic factors.

The board acknowledges and understands that these factors, since there is a large increase in the data inputs required by the ECL model, which increases the risk of completeness and accuracy of the data that has been used to create assumptions in the model. Based on the internal management analysis, as per Board Opinion, there is no requirement of provision for expected credit loss in several financial assets including the trade receivables and other receivables of the Company and all are on fair value, based on the assessment and judgement made by the board of the company.

In the opinion of management, trade receivable, Financial assets, Cash and cash equivalent, Balance with Bank, Loans and other financial assets have a value on realisation in the ordinary course of business atleast equal to the amount at which they are stated in the balance sheet.

### 39 Market risk -

Market risk is the risk that changes in market prices – such as foreign exchange rates and interest rates – will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long term debt. We are exposed to market risk primarily related to foreign exchange rate risk and interest rate risk. Thus, our exposure to market risk is a function of revenue generating and operating activities in foreign currency. The objective of market risk management is to avoid excessive exposure in our foreign currency revenues and costs.

### 40 Foreign currency risk

The Company is exposed to currency risk on account of its receivables and advances in foreign currency. The functional currency of the Company is Indian Rupee. The Company does not use forward exchange contracts to hedge its currency risk.

#### Exposure to currency risk

The currency profile of financial assets and financial liabilities in Rs. as at 31 March 2024 and 31 March 2023 are as below:

Particulars	Currency	31.03.2024	31.03.2023
<b>Financial assets</b>			
Trade Advance	USD	-	200,000
<b>Financial liabilities</b>			
Other financial liabilities		-	-

**41 Interest rate risk**

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing financial instruments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing financial instruments will fluctuate because of fluctuations in the interest rates.

Company has interest rate risk exposure mainly from changes in rate of interest on borrowing & on deposit with bank. The interest rate are disclosed in the respective notes to the Standalone financial statements of the Company.

Particulars	As at 31 March 24	As at 31 March 23
<b>Financial assets</b>		
<b>Interest bearing - Fixed interest rate</b>		
- Loans	2,307.00	2,180.00
<b>Interest bearing - Floating interest rate</b>	-	-
<b>Financial Liabilities</b>		
<b>Interest bearing - Fixed interest rate</b>		
- Unsecured Borrowings	-	-
<b>Interest bearing - Floating interest rate</b>	-	-

**42 Fair value sensitivity analysis for fixed-rate instruments**

The Company does not account for any fixed-rate financial assets or financial liabilities at fair value through profit or loss. Therefore, a change in interest rates at the reporting date would not affect profit or loss.

**43 Cash flow sensitivity analysis for variable-rate instruments -**

The company does not have any financial assets or financial liabilities bearing floating interest rates. Therefore, a change in interest rates at the reporting date would not affect profit or loss.

**44 Liquidity risk -**

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Company's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company closely monitors its liquidity position and deploys a robust cash management system. It maintains adequate sources of financing including debt and overdraft from banks at an optimised cost.

The Company maximum exposure to credit risk for the components of the balance sheet at 31 March 2024 and 31 March 2023 is the carrying amounts. The liquidity risk is managed on the basis of expected maturity dates of the financial liabilities. The average credit period taken to settle trade payables is about 90 days. The other payables are with short-term durations. The carrying amounts are assumed to be a reasonable approximation of fair value. The following table analysis financial liabilities by remaining contractual maturities:

Particulars	12 months or				Total
	On demand	less	1 to 5 years	> 5 years	
<b>Year ended 31 March 2024</b>					
Borrowings	-	-	-	-	-
Other financial liabilities	-	-	-	-	-

Other financial liabilities	-	-	-	-	-
Trade and other payables	-	-	101.37	-	101.37
	-	-	101.37	-	101.37

At present, the Company does expects to repay all liabilities at their contractual maturity. In order to meet such cash commitments, the operating activity is expected to generate sufficient cash inflows.

#### 45 Capital management -

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the parent. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company's policy is to keep optimum gearing ratio. The Company includes within net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents, excluding discontinued operations.

Particulars		As at 31 March 24	As at 31 March 23
Borrowings		-	-
Trade & Other payables		-	101.37
Other financial liabilities		-	-
Less: cash and cash equivalents		(78.99)	(29.90)

<b>Debt Equity Ratio</b>	<b>(a/b)</b>	<b>(0.03)</b>	<b>0.02</b>

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2024 and 31 March 2023

## ANNUAL REPORT 2024

Applicable statutory tax rate for financial year 2023-24 is 25.168%

The company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

Significant management judgement is required in determining provision for income tax, deferred income tax assets and liabilities and recoverability of deferred income tax assets. The recoverability of deferred income tax assets is based on estimates of taxable income by each jurisdiction in which the relevant entity operates and the period over which deferred income tax assets will be recovered.

The company has majorly deployed a part of its assets as Inter-Corporate Deposit to other entities as represented in Note No. 5 in the financial statements, the management is in the Process of identifying better business opportunity and in the meantime, to generate returns from idle funds, these funds have been invested in interest-bearing assets, against which the company has also received interest income during the year. However as per the opinion of the Board of Directors, the company is not intending to engage into non-banking financing activities, and not required to get registered with Reserve Bank of India as Non Banking Financing Company under Section 45-IA of the Reserve Bank of India Act 1934, as said funds are deployed for core business objectives of the company

### Estimates

The estimates at 31 March 2024 and at 31 March 2023 are consistent with those made for the same dates in accordance with Ind AS (after adjustments to reflect any differences in accounting policies).

Balance of Receivables and Payables, including loans, deposits & trade advances given, Borrowings, trade receivables, payable to vendors, Trade Advances received, Advance From Debtors, etc, are subject to confirmation and consequent reconciliation and adjustments, if any. Further the impairment provision for trade advances given, trade receivables, etc. are subject to documentation of the informal updation in terms of advances. Hence, the effect thereof, on Profit/ Loss, Assets and Liabilities, if any, is not ascertainable, which may be considerable. As per the opinion of the Board, there will be no substantial impact on their reconciliation with their balance confirmations as on the reporting date.

During the financial year 2023-2024, the company has written off an amount of Rs 35.46 lacs, represented as Other Expenses under Note No 28 to the Financial Statements, which represents debts not recoverable and hence written off.

There was no impairment loss on the fixed assets on the basis of review carried out by the management in accordance with Indian Accounting Standard (Ind AS)–36 'Impairment of Assets.

### Lease disclosure

The company has not entered into any agreement for obtaining any premises on rent (which is in nature of operating leases). However if entered amount paid/payable in respect of such leases will be charged to profit and loss on accrual basis over the period of lease.

### Earnings per share

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

The following reflects the income and share data used in the basic and diluted EPS computations:

Particulars	As at 31 March 24	As at 31 March 23
Profit attributable to equity holders of the parent for basic earnings	1.03	43.70
