Basic Ultra-Light Registration Request (Paramotor)

Dear Transport Canada,

I wish to use registration markings C-I??? reserved DATE, 2021 to register my new SCOUT Carbon One Powered Paramotor (Ultralight).

\*\*\*Please accept my statement that this ultralight aircraft I'm trying to register is new and has never been registered in Canada or any other country.\*\*\*

Accompanied with this registration request are the supporting documents:

1. Release and copy of reservation Markings C-I???
2. Application for registration form (26-0521)
3. Minimum Useful Load Calculations for single seat basic Ultralight aeroplane form.
4. Proof of Citizenship: Driver's license or Passport
5. Photo of ID plate & placement
6. Photo of Engine: Motor Serial Number
7. Copy of receipt including serial number
8. Bill of Sale including seller & purchaser signatures
9. Order Number once submitting \$110 Registration fee to TC website.

I appreciate your assistance,

*Signature*
