Praying Friends,

Someone is praying for us! We're so grateful that you have lifted up our family in prayer. On the 26th of this month, we sat in our doctor's office and received wonderful news about our son's growth! The complications have also lessened significantly. Praise the Lord!

Our meetings in October started off in Pennsylvania with Heritage Baptist Church in Jeannette. I was blessed to preach their Wednesday night service. It was an amazing church! Moving east, I drove to York, Pennsylvania, to join Bible Baptist Church for their Missions Conference. Bro. Sigstad preached a powerful set of messages, and it was a joy to see many new Christians jump on board with the missions program!

Leaving Pennsylvania, I traveled into Virginia to be with Green Valley Baptist Church in Middletown. This church is in the midst of a much-needed building program, and I was blessed by the faithful testimony of Pastor Kirchoff and the church family to move forward for God! The next stop was at Fellowship Baptist Church in Durham, North Carolina. Spending some time with Dr. Finley was certainly a highlight, and it was an honor to present our ministry in their Sunday evening service. The month ended in Southern California with Missions Sunday at Pacific Baptist Church of Monterey Park. This new church in Los Angeles has a great spirit for the Lord!

Soul Report:

This month, we witnessed to **seven souls**. While out door knocking in York, Pennsylvania, with a couple of teenagers from Bible Baptist Church, I met a kind man named Shawn. Shawn was a practicing Catholic and shared with me that he was not sure anyone could be sure of salvation. I'm so glad that God gave me this opportunity to share Jesus with him. Pray for his salvation, as he told me that he wasn't ready at that time.

Family Update:

I'm so thankful for my in-laws, Kevin and Merlene Strong, who have taken great care of Rachel and Ruby while I've been on the road. Only a few more weeks stand between us being reunited as a family. We found out this month that God has used your faithful giving to bring us to **100% of our needed support**. Where He guides, He provides. Praise the Lord! Thank you, Friend, for your love for the Lord and our family! We thank God regularly for your prayers and support. We are humbled to represent you in the harvest!

May our lives glorify Him,

Daniel, Rachel, Ruby, and Andrew Solt
