Burial List and Family Documentation

Compiled by Jacob M. Johnson
of Boy Scout Troop 135
as part of his
Eagle Scout Project 2015-2016

The Vernon Cemetery is the final resting place of at least 77 people. This includes Revolutionary War Captain Richard Vernon (NC Militia), 5 Confederate Veterans and 32 Slaves. Jacob Johnson chose to clean up, restore and document the cemetery for his Eagle Scout project. This culminated with a Grave Dedication ceremony sponsored by the Andrew Crockett Chapter of the Sons of the American Revolution on 1 May 2016.

The work was completed by the boys of Boy Scout Troop 135, Jacob Johnson's family and friends and the Vernon brothers (Robert, Earl & Kevin). A special thanks to Mr. Torey Gaspie and Mrs. Tamera Swearingen for their assistance on this project.

The funds to complete this project were donated by family members, friends of Jacob's family and descendants of those buried at the cemetery.

The information was compiled from research on Ancestry.com and other sites as well as the input and earlier research compiled by other descendants including but not limited to:
