

Student Name: _____

Authorization to Access Student Records

Pacesetter Academy staff is required to protect the privacy of student records to which they have access. I authorize Pacesetter Academy employees, government employees and medical staff with a legitimate interest to access records for the above-named student.

Vaccinations

Pacesetter Academy wishes to inform all parents that their child may be enrolled with another child that may be exempt from vaccinations.

Physical Activity

Pacesetter Academy provides your child with planned physical activities during regularly scheduled times. A typical day will include 40-60 minutes of gross-motor outdoor/indoor activities including, but not limited to: dance, ball play, sack races, obstacle courses, riding toys, push toys, climbing, yoga, etc. Please make sure you send your child to school in comfortable clothing appropriate for outdoor weather conditions. All children must wear sneakers/closed-toed shoes with rubber soles every day. Flip-flops, open-toed shoes, heels, sandals, boots, Crocs, etc., are NOT SAFE for these activities. During inclement weather, gross-motor activities will take place indoors.

Choking Hazards

Pacesetter Academy does not allow students into the school with any potential choking hazards. For example, hair beads, small toys and small clips pose choking hazards for many of our students. Parents will be asked to remove such items prior to entering the school.
