

GATEWAY SAFETY is a full service provider of safety consulting, training, and staffing services. We are dedicated to helping our clients meet their goals with exceptional service and cost effective solutions.

SAFETY CONSULTING

Gateway Safety provides safety consulting services to meet your company's specific needs with cost effective solutions. Our services are designed to reduce incidents and workers compensation cost and maximize productivity and profits. We offer a wide variety of services including:

"Safety Programs, Safety Manuals, Inspections, Audits, Safety Training, OSHA Compliance"

SAFETY STAFFING

Gateway Safety specializes in providing Safety Professionals to support your company safety program, staff and manage safety on your project, or by supplementing your team when additional safety support is needed. Our Safety Professionals have the industry knowledge, experience, training, and certifications necessary to perform to our clients expectations.

"We have Long-Term, Short-Term, Temp-to-Hire, and Permanent Placement programs"

SAFETY TRAINING

Gateway Safety delivers safety training that satisfies and exceeds OSHA regulatory compliance requirements. Programs are available from basic awareness levels to the training needed to achieve a Competent Person designation. Training programs are delivered by industry Experienced Safety Instructors including OSHA Authorized Instructors and Qualified Safety Training Professionals.

"Qualified, Experienced, OSHA Authorized Instructors"
