

NICK BLAIS

DESIGNER – PRODUCTION, SET, COSTUME, LIGHTING

Associated Designers of Canada

Tel: (647) 685-8635

Email: blais.nicholas@gmail.com

Web: nblaisdesign.com

OVERVIEW

Nick Blais designs across Canada in all manner of discipline and venue: from theatres, parks, abandoned buildings, schools, storefronts, living rooms and concert halls. As Head of Design for Toronto's leading immersive theatre company, Outside the March, Nick specializes in assembling gifted teams, creating and facilitating thematic, impactful designs, and transforming unconventional spaces into immersive, dramatic environments. Nick has received Dora Mavor Moore Awards for both set and lighting design, nominated for the Virginia Myrtle Cooper award in costume design, and various other awards and nominations across the country. His design work was featured in 2011 at the Prague Quadrennial for Theatre design, and showcased in Professional Lighting Magazine for his innovation in off-the-grid lighting design and site-specific scenography.

Nick is currently based in Toronto, ON.

EDUCATION

2007-2011 B.F.A. Theatre Design with Distinction – University of Alberta

2006-2007 Apprenticeship Program, Alberta Theatre Projects – Calgary, AB

SUMMARY OF POSITIONS

THEATRE DESIGNER

Freelance, Multiple Companies

2009 - Present

- Freelance theater designer of scenery, costumes, and lighting for over 90 productions. Engaged by over 50 different companies to design their productions in the last 10 years.
- Extensive research and study to develop creative concepts with directors, producers, choreographers, musical directors, designers, performers, technicians, artists and more. Work closely with builders, technicians and artists to execute designs into fully realized and completed scenery, costumes and lighting designs
- Sketch, Draft, Render and Model complex material and digital designs in AutoCAD: provide groundplans, layouts, sightlines, construction drawings, polished renders and scale models.
- Supervise the execution of designs across Canada and collaborate with hundreds of artists from all over the world.

HEAD OF DESIGN

Outside the March

2016 - Present

- Oversee all aspects of design and production on the company's current, ongoing, and future productions and events. Facilitate communication between all members of staff, the creative team, venues, other artists, outside contractors, consultants etc.
- Provide informed and accountable oversight to production team members through the pre/post production process.
- Conduct interviews, create/execute contracts for design/production team members, and facilitate communication between them throughout production.
- Serve as both a member of the design team as well as the production management team.

- Advise on and create Budgets and Schedules focused on yearly planning and allocation of resources/timelines.
- Participate in mandate conversations, current/ongoing and future productions/events.
- Develop relationships with companies, venues, neighbours and volunteers.
- Contribute to grant applications, web development, marketing /outreach, and accessibility.

PRODUCTION MANAGEMENT / INDUSTRIAL DESIGN

Freelance, Various Companies/Events

2009-2023

- Designed and managed dozens of events for corporate groups, not-for-profits, fundraisers, galleries, and pop-ups.
- Engagement with projects from the very start: creative meetings and sketches to layouts and construction drawings to full designs with polished renderings or models to final execution and supervision of the event itself.
- Venues have included storefronts, theatres, warehouses, abandoned buildings, art galleries.
- Additional duties included site-mapping, creating accurate venue drawings, building 3d model of venue area, concept roughs, reference images, meeting with shops and technicians, creating quotes, budgets, schedules, sourcing, purchasing, rentals, supervision of installation and execution, collecting feedback, liaising with publicity, archival photos, organizing and facilitating post-production evaluations.

SKILLS AND ABILITIES

Art and Design: creation, discussion, analysis and critique; Theatre: design, construction, production, management : specializing in visual and thematic storytelling, new-work creation, dramaturgy, immersive productions, site-specific scenography, collective creation.

Exemplary in drafting by hand, 2D and 3D drafting in AutoCAD, creating both digital and material models and renderings. Other programs include: Photoshop, Illustrator, After effects, Corel, Microsoft Office Suite. Other skills include scenic painting, set decoration, costume construction, lighting installation, operation, power assessment, and a variety of research and preparatory design techniques, visual art, and photography.
