

Come Sing, Shine, and Celebrate with Villages Music Society-Voices

There's something magical about singing together—and this upcoming season, Villages Music Society–Voices is ready to make the community shine!

This year's winter concert, **"Star Bright,"** will take audiences on a musical journey through **Guiding Light, Hopes and Wishes, and Wonder of the Cosmos.** With an upbeat mix of holiday favorites, inspirational songs, and timeless classics, the program promises something for everyone.

But before the curtain rises, Voices is opening its doors—and inviting **new singers and returning members** to join the fun. The Open House will be held **Wednesday, September 9, at 6:30 p.m. at the Vineyard Center.** Come enjoy light refreshments, register, pick up your music, meet fellow singers, and discover what makes Voices such a special part of the community.

Co-Presidents **Melissa Aronoff** and **Michael Kretowicz** will welcome participants, followed by an introduction to the winter selections from Music Director **Catherine Elacer.** Rehearsals will be held from approximately **7:00–9:00 p.m.**

The "Star Bright" playlist sparkles with *Light a Candle, Count the Stars, Swing on a Star, Christmas on Broadway, Do You Hear What I Hear, Celebration of Light, Let Love Light the Way, Star Light,* and many more—including the whimsical *I Want a Hippopotamus for Christmas.*

Asked what makes "The Voices" meaningful, Music Director Catherine Elacer described it as far more than a chorus: **"It's a vibrant network of individuals"** united by shared experiences, enthusiasm, and the joy of singing together. People from diverse backgrounds come together, she says, through the powerful experience of collaborative music-making.

And perhaps that is the greatest gift of all. **Music brings comfort, celebration, and beauty—and Voices has the opportunity to give that gift back to the community.**

So bring your voice, your enthusiasm, and your sense of fun. **Come sing with us, make new connections, and help Villages Voices make "Star Bright" truly shine!**
