clowns----- (cl)	16		
flowers----- (fl)	17		

BLEND BINGO----- (game)

pgs. 29--36.

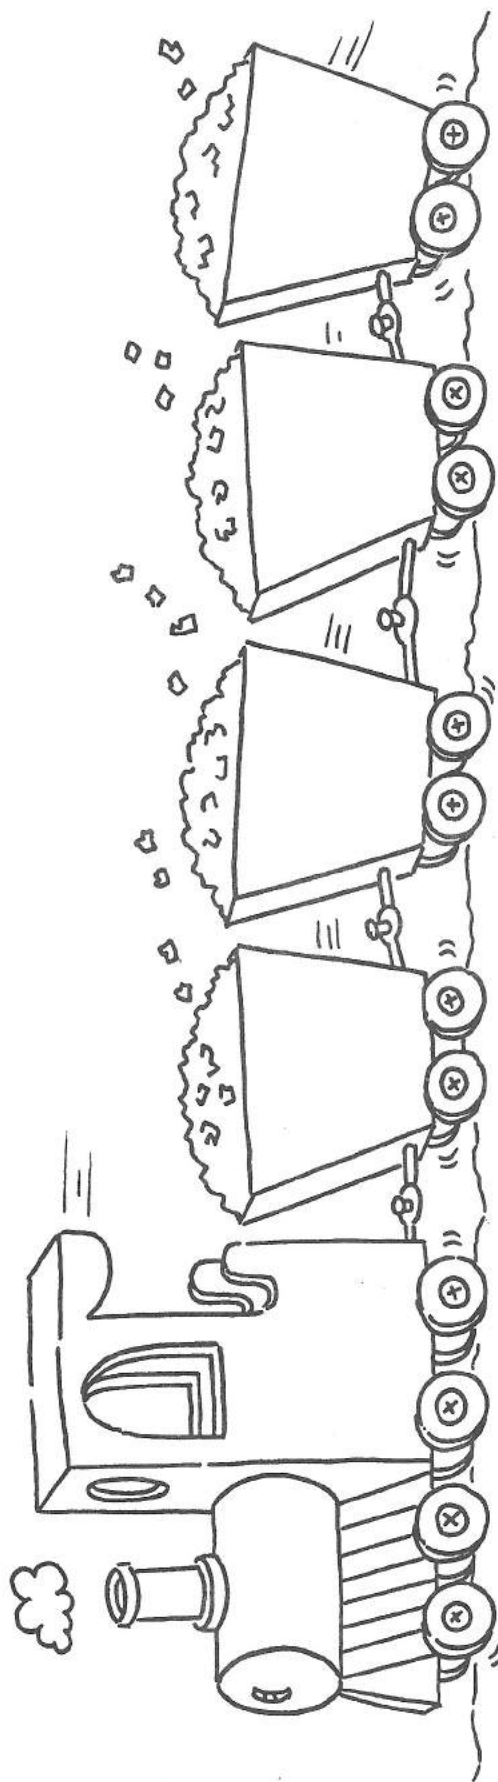

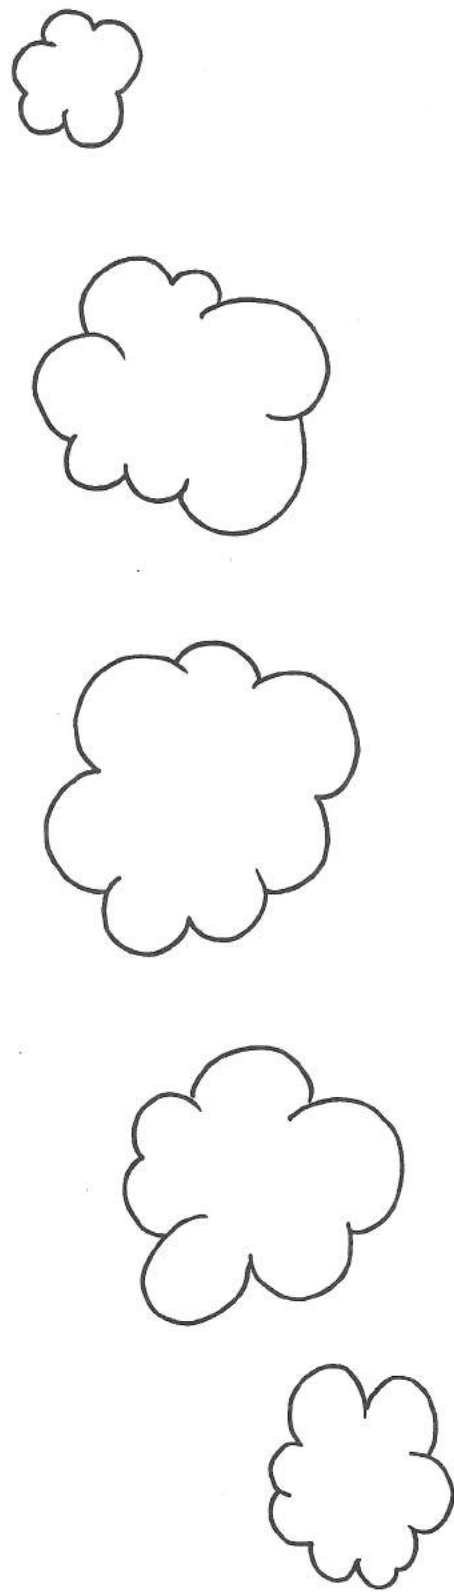

The child colours in each sound balloon when really 'known' and then the clowns.

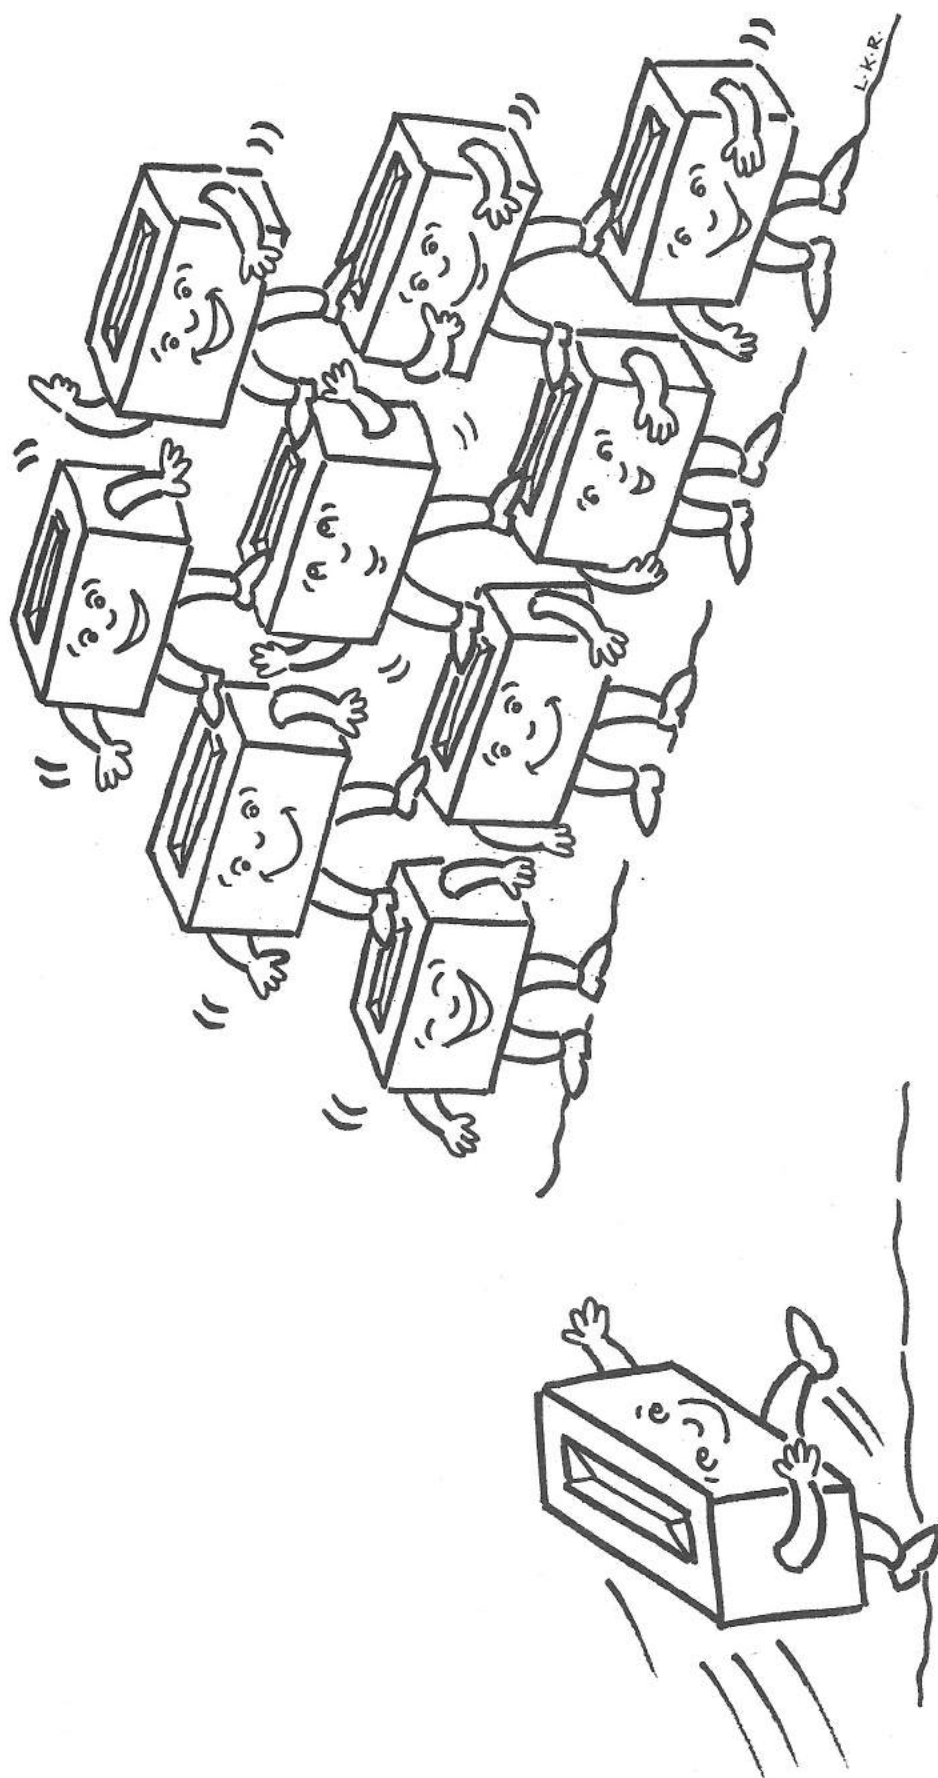

This page can be used as a record of achievement, any sounds which the child is learning can be written in the engine, trucks or clouds, and coloured in when known. This page makes an attractive front or back cover to a child's sound folder.

For single letter sounds see The Accurate Alphabet.

Blend Bingo - A Game for 2 or 4 players

1. Stick each page of pictures onto card and cut out around the dotted lines. The pictures may be coloured in. The Blend Boards may also be pasted onto card.
2. Each player has 1 Blend Board (if 4 players), or 2 Blend Boards (if 2 players).
3. The picture cards are placed face down. The teacher/referee turns over the first card and shows it to the players, e.g. the picture of clowns.
4. The child with **cl** on their board, must then call out "**clowns - (cl)**" and the card is then theirs to place on the **cl** square. The referee continues to show the rest of the cards. The child whose board is completed first, is the winner. Play continues for 2nd, 3rd and 4th places.

Blend Bingo - A Game for 2 or 4 players

Stick this page of pictures onto card and cut out around the dotted lines. The pictures may be coloured in. The Blend Boards may also be pasted onto card. (For full instructions on how to play the game see page 29).

Blend Bingo - A Game for 2 or 4 players

Stick this page of pictures onto card and cut out around the dotted lines. The pictures may be coloured in. The Blend Boards may also be pasted onto card. (For full instructions on how to play the game see page 29).
