Indiana FREADOM to Read is a grassroots coalition of passionate Hoosiers dedicated to safeguarding the fundamental **freadom** to read. Our work is organized and supported by the Indiana Library Federation.

- ✓ We believe in the **freadom** to read and a right to equitable access to information.
- ✓ We know libraries of all types play a crucial role in providing access to information and stories.
- ✓ We support access to knowledge, empowering librarians as community leaders, and families making their own informed reading choices.

Sign up today to ensure all Hoosiers have the **freadom** to read by scanning the QR code or by visiting infreadomtoread.org.
