Garden Street & Company offers specialized seasonal landscape maintenance to keep your garden looking its best all year round. This is supplemental to your weekly yard maintenance. Just as your yard has four distinct seasons of growth and rest, it has four distinct seasons of landscape maintenance and care too. We provide the following services offered monthly, bi-monthly and yearly.

- Seasonal Pruning
- Pest and Disease Inspection and Control
- Irrigation Inspections and Repair
- Deadheading of Plants and Flowers
- Mulching and Soil Reunification (removing debris from the base of the plant and adding nutrient-rich mulch/soil)
- Fertilizing

Additional Services

- Adding Plants and Landscape Areas
- Yearly Tree Care by a Licensed Arborist
- Hardscape Refresh and Repair (gravel, stones or flagstones).
- Drainage Pipe Repair
- Deck and Retaining Wall Repairs (including sealants)
- Water Proofing
- Construction and Handy Man Services by Licensed Contractor
