Positioning Scenarios

Customer

I'm happy with the internet I have now. I don't really want to switch.

Sales Agent

I totally get that! Spectrum is offering 1G Internet for just $70/mo., and that includes Advanced WiFi for safer browsing, free installation and activation, and includes one mobile line for a whole year. Want me to show you how quick the switch can be?

SPECTRUM

Positioning Scenarios

Customer

I already have an internet and mobile service that does just fine.

Sales Agent

I hear you! But here's the big win: when you add 4 Spectrum Mobile lines, you'll get Internet Advantage absolutely free—forever. That's a lifetime of savings just for switching your mobile lines. Plus, you can stack on extras like a TV package that includes over $100/mo. worth of streaming apps. Want me to help you find the bundle that gives you the most value?
