

# Guide to Legacy Giving

# A Note from Clint Lyons

**Executive Director**

Dear Partner in Ministry,

I want to take a moment to personally thank you for considering a legacy gift to iReach Global. Your heart for this ministry and for persecuted believers around the world means more than words can express.

Because of faithful and generous supporters like you, the light of Jesus is shining in some of the darkest places, and lives are being transformed for eternity.

Planned giving is one of the most powerful ways to ensure that this mission continues for generations to come. By making a legacy gift, you are not only investing in the future of the persecuted church, but you are also creating a lasting testimony of your faith and generosity.

Whether through a bequest, stocks, real estate, or other giving options, your gift will continue to equip frontline workers, disciple believers, and expand the reach of the gospel in some of the hardest-to-reach places well into the future.

In the pages that follow, you will find information on various ways you can leave a legacy of impact through iReach Global. Our goal is to make the process as simple and meaningful as possible for you. If at any point you have questions or need assistance, we are here to help.

Thank you again for your heart for this mission. Your willingness to consider a planned gift means that more persecuted believers will receive the encouragement, discipleship, and support they need to stand strong in their faith. Together, we are ensuring that God's love continues to shine, now and for generations to come.

With deep gratitude,

# Turn your impact into your legacy...

All over the world, followers of Jesus face persecution and hardship because of their faith. Nowhere is this more evident than in Muslim-majority communities.

Yet, even in the face of oppression, courageous believers continue to follow Jesus' calling in Matthew 5:14-16...

*"You are the light of the world. A town built on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven."*

With the help of friends like you, iReach Global was launched in 2021 with a mission to empower persecuted Christians to live out Jesus' command—to be light in the darkest places.

Your legacy gift can ensure this mission continues for generations to come. By including iReach Global in your estate plans, stock gifts, real estate, or other planned giving, you will provide long-term support for persecuted Christians, helping them stand firm in their faith and shine brightly in their communities.

# Giving Through Wills and Bequests

One of the simplest and most impactful ways to leave a legacy of faith is by including iReach Global in your will or estate plan. A charitable bequest allows you to designate a gift to iReach Global, ensuring that the mission of empowering persecuted believers continues long into the future.

## Ways to Give Through Your Will

When creating or updating your will, you have the flexibility to choose how you want to give:

- **Percentage of Your Estate:** You can designate a percentage of your total estate to be given to iReach Global. This allows your gift to adjust in proportion to the size of your estate over time.
- **Specific Amount:** You may choose to leave a specific dollar amount or a particular asset (such as property, stocks, or other valuables) to support the work of iReach Global.
- **Residual Bequest:** After your estate has provided for your loved ones, you can designate the remainder (or a portion of it) to iReach Global.

A bequest to iReach Global ensures that persecuted believers will continue to receive physical support, discipleship, and economic empowerment long after your lifetime. Your legacy gift will equip frontline workers, strengthen the Church, and extend the reach of the gospel in some of the hardest places on earth.

**To include iReach Global in your will, we encourage you to consult with your attorney or estate planner to determine the best way to structure your gift. Once your plans are finalized, please do let us know about your legacy gift. For more information, contact us at 469-445-2408 and we would be honored to assist you.**

# Giving Non-Cash Assets

Gifts of non-cash assets are a tax-efficient and impactful way to support iReach Global. Whether given today or as a planned gift for the future, donating stocks, securities, insurance policies, or retirement accounts allows you to make a lasting impact while potentially receiving financial benefits.

## Ways to Give Non-Cash Assets

There are multiple options for giving beyond traditional cash donations:

- **Stocks & Securities:** By donating appreciated stocks, bonds, or mutual funds, you can avoid capital gains taxes while receiving a charitable deduction for the full fair market value of the asset.
- **Retirement Accounts (IRA, 401(k), 403(b)):** Naming iReach Global as a beneficiary of your retirement account allows you to leave a legacy gift while potentially reducing the tax burden on your heirs.
- **Life Insurance Policies:** You can designate iReach Global as a beneficiary of your life insurance policy or transfer ownership of a policy you no longer need.
- **Real Estate or Business Interests:** Donating property or business assets can provide a significant charitable deduction while directly supporting persecuted believers.
- **Cryptocurrency:** Donating cryptocurrency is a tax-efficient way to support iReach Global, allowing you to give appreciated assets without incurring capital gains taxes.

**To make a non-cash asset donation, consult with your financial advisor to determine the best approach. If you have any questions, contact us at 469-445-2408 and we would be more than happy to assist you.**
