

Sharing God's
Unlimited Love

2024 Impact Report

A Note from Toby and Alycia

Do you ever wonder how far God's love can reach? Looking back on 2024, We've been reminded time and again: *there is no limit!*

"For as high as the heavens are above the earth, so great is his steadfast love toward those who fear him..." (Psalm 103:11).

From remote villages to quiet meetings where persecuted believers gather in secret, God's light is shining—and reaching further than ever because of you.

This year, more iReach discussion groups were launched than ever before, including in our newest country, Chad. Believers were equipped with tools to deepen their faith and share it boldly—even in places where doing so puts them at great risk.

We've also expanded our advocacy efforts, amplifying the voices of persecuted Christians through our growing media presence in the US. More people are learning about the challenges believers face—and being inspired to stand alongside them in prayer and support.

And then there was our ReachOut event in Central Nigeria, unlike anything we've seen before. More than 800 displaced believers gathered in a region marked by deep persecution to worship, be encouraged, and renew their hope.

As you explore this impact report, you'll see the incredible ways your partnership is shining God's love in the darkest corners of the world. Every story, every statistic, every milestone is a reflection of his work through you.

Thank you for making this possible. Thank you for standing with us and with our brothers and sisters in Christ.

Because of you, hope is spreading further, light is overcoming darkness, and God's unlimited love is shining brighter than we could've ever imagined.

Sharing God's unlimited love... through iReach groups

Thanks to your partnership, iReach reached a powerful new milestone last year—over 1,000 believers and seekers joined our small groups!

Not only that, but we also took our first steps training leaders in the nation of Chad, where believers are now being strengthened in their faith and empowered to boldly share Christ's unlimited love with their neighbors.

These groups are providing a vital haven of hope for hard-pressed believers to be encouraged in their faith, and are foundational to everything we do at iReach—so thank you!

"I've witnessed believers who once felt abandoned now standing strong in their faith, empowered by the Word, starting in their immediate environment where they were once rejected. They're boldly carrying Christ's light into places where darkness once ruled, proving that nothing can stop the power of his love."

—Paul, Frontline Worker, Nigeria

Sharing God's unlimited love... by shining light on their stories

This year, through God's grace and your support, iReach made incredible strides in advocating for persecuted believers here in the US.

We were honored to be featured in a segment on CBN News and on *Prophecy Watchers*, bringing the plight of persecuted Christians to thousands.

Additionally, op-eds in *The Christian Post* and through Salem Media Group have challenged more people to engage with the stories of those who suffer for their faith.

These opportunities are raising critical awareness, inspiring prayers, support, and action to stand with our fellow believers. When their stories are told, lives are changed—and the movement to bring hope and healing grows.

Together, we're ensuring their voices are heard and their faith shines brighter than ever!

"Thank you for this. I had to stop in the middle to pray. May God bless and protect those suffering for him.... May we have a new boldness to proclaim the Good News of the Gospel of Jesus Christ."

Sharing God's unlimited love... through ReachOut events across Africa

"I never thought anyone would do this for me," an elderly woman in Mangu, Central Nigeria, said through tears. "They washed my feet, gave me glasses, and provided medicine. This means so much to me."

Moments like this defined our most impactful ReachOut event ever in November. Organized by iReach group members and frontline workers, the event brought hope and healing to a community deeply affected by persecution and displacement.

Every prayer and every act of service reflected the unlimited love of Jesus. Volunteers poured their hearts into this day, ensuring that each person left feeling valued and seen.

This is what happens when God's people come together. Thank you for your partnership, which makes it all possible. His love is shining brighter than ever!

Thank you for shining the light of God's *unlimited* love!

Looking back on 2024, we are in awe of what God has accomplished through your generosity. From launching more iReach groups than ever to shining light on the stories of the persecuted to hosting our most impactful ReachOut yet, your support has made a profound difference.

Through it all, one thing has been clear...

God's unlimited love knows no boundaries!

It has reached persecuted believers in the darkest corners of the world, strengthened their faith, and brought hope to those who needed it most. And it's your prayers, your giving, and your partnership that have carried this mission forward.

Thank you for making this impact possible. Because of you, countless lives were impacted by God's love—and we look forward to all he will do in 2025!
