Resident Contact Information

The Whispering Lakes Board of Directors and HOA Management Services are always working to update our resident contact information to ensure you do not miss an email regarding community events and other important news. This information is only for the Board of Directors and HOA Management Services for communication with residents – we won't send spam mail or share your information.

Please take the time to complete the form below as soon as possible and:

1. **Send an email to the Board Secretary at secretary@whisperinglakesestates.com with your name, address, and email address** (who emails you about Board meetings and events in Whispering Lakes and can get you a pool gate key)

2. Mail this form to HOA Management Services, 1900 E. Douglas, Suite 100, Wichita, KS 67214 OR email it to our HOA community manager, Ricci, at Rtucker@homeownermgmt.com

Under Kansas state law, all members of an HOA must provide at least one mechanism of contact (email or phone are acceptable). Outside of that, provide as much detail as you feel comfortable with.
