

CONSENT FOR PELVIC EXAMINATION

Florida Statutes Section 456.51 (Consent for Pelvic Examinations) requires the written consent of a patient or the patient's legal representative before a health care practitioner, a medical student, or other student receiving training as a health care practitioner may perform a pelvic examination on a patient. By signing below, the patient (or the patient's legal representative) acknowledges that he/she has been given the opportunity to ask questions about the pelvic examination before signing this Consent for Pelvic Examination and that the patient (or the patient's legal representative) has voluntarily agreed to the pelvic examination by a health care practitioner, a medical student, or other student receiving training as a health care practitioner. If the patient lacks the capacity to sign this Consent for Pelvic Examination, this form will be signed by the person authorized to consent for the patient.

☐ I **DO NOT CONSENT** to a pelvic examination by a health care practitioner, a medical student, or other student receiving training as a health care practitioner.

☐ I **CONSENT** to a pelvic examination by a health care practitioner, a medical student, or other student receiving training as a health care practitioner

I have read and fully understand the above statements and the explanations. This consent was given freely and voluntarily.
