

SynBionic Evolution Inc.
3347 Boul. Des Sources, PO Box 38070
Dollard-Des-Ormeaux,
Québec, H9B 3J2

PRECAUTIONARY STATEMENTS

No known significant effects or critical hazards.
Wear goggles or face shield, rubber gloves and protective clothing when handling. Wash thoroughly with soap and water after handling and before eating, drinking or using tobacco. Remove contaminated clothing and wash clothing before reuse. Product is extremely slippery, use extreme caution when handling or if spilled

ENVIRONMENTAL HAZARD

This product is not a hazardous substance.

PHYSICAL OR CHEMICAL HAZARDS

Do not mix with oxidizers, alkaline soaps and detergents.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

STORAGE: Open dumping is prohibited. Store only in original container. Do not reuse empty container. Keep this product under locked storage sufficient to make it inaccessible to children or persons unfamiliar with its proper use.

DISPOSAL: Wastes are acutely hazardous. Improper disposal of excess solution, spray mixture or rinsate may be in violation of federal law. If these wastes cannot be disposed of by use according to label instructions, contact your local or federal environmental control agency, or a hazardous waste specialist or other appropriate authority for guidance.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, by incineration, or if allowed by federal, regional and local authorities, by burning. If burned, stay out of smoke.

PolyHydra-O

NOP Compliant
Adjuvant/Humectant
Non Flammable
Water soluble

Ingredient Disclosure:

Inert ingredients.....	4.11%
Water	95.89%
TOTAL	100.00%

**KEEP OUT OF REACH OF CHILDREN
CAUTION!**

See left panel for additional precautionary statements.

FIRST AID

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

IF ON SKIN OR CLOTHING: Wipe off excess material from skin then immediately flush skin with plenty of water for at least 15 minutes. Remove contaminated clothing and shoes. Wash clothing before reuse. Call a physician.

IF IN EYES: Immediately flush eyes with plenty of water for at least 15 minutes, lifting lower and upper lids occasionally. Remove contact lenses if present after the first 5 minutes, and then continue rinsing eye. Get medical attention immediately.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF INHALED: Move person to fresh air. If person is not breathing, call an ambulance, and then give artificial respiration, preferably mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

MANUFACTURED FOR:

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

1. Fill tank $\frac{1}{4}$ of the total amount of water.
2. Add **PolyHydra-O** slowly while maintaining vigorous agitation.
3. Agitate until **PolyHydra-O** is completely dissolved. **The appearance of small white particles may indicate the presence of hard water conditions, which may necessitate the use of a water softener.**
4. Add desired chemicals per their directions, while continuing vigorous agitation.
5. Do not breathe spray mist.

PolyHydra-O Attributes

PolyHydra-O is a polymer-gel which when placed into solution with water and mixed with appropriate agricultural chemicals enhances wetting, adhesion, and facilitates redistribution with ambient moisture, thereby increasing protection during plant growth, resulting in a reduction of chemical usage.

PolyHydra-O meets the requirements of the USDA Organic - National Organic Program (NOP), based on The National List of Allowed and Prohibited Substances, 7-CFR §205.601(m). This product is acceptable for organic production.

Additional information for Certifying Agents available by contacting the manufacturer info@synbionicevolution.com

PolyHydra-O may be dissolved with water down to an effective dilution of 0.4% and will still maintain its gel structure. Evaluation of chemical compatibility including gel consistency, and attribute efficacy is the sole responsibility of the user.

For further information, please refer to the MSDS.

CAUTION: Slippery surfaces are extremely slippery.

PRODUCT EXPIRES 12 MONTHS FROM DATE OF MANUFACTURE
