

Terms & Conditions

Eligibility:

- Referred professionals must be currently licensed and practicing pharmacists (RPhs) or registered pharmacy technicians (RPhTs), and must reside in or be eligible to work in Alberta.
- To qualify, the referred professional must not have an active relationship with Relief Rxperts at the time of referral. A professional is considered *active* if they have:
 - Worked a shift with Relief Rxperts within the past 12 months
 - Applied for a position, submitted credentials, or started onboarding within the past year
 - Had direct communication (phone, email, or SMS) with a Relief Rxperts team member within the past year
- The referred professional must complete one shift before September 16, 2025 for the referral to be valid.
- Each referred individual must be reviewed, approved, and fully onboarded by Relief Rxperts before becoming eligible for the referral bonus.

Referral Restrictions:

- A professional can only be referred once. The referral bonus is awarded to the first person who submits the referral form.
- You can refer an unlimited number of professionals—there is no cap.
- Referrals submitted prior to July 16, 2025 are not eligible for a referral bonus.
- Relief Rxperts reserves the right to determine referral eligibility based on system tracking, form records, and professional confirmation.
- In the event of a dispute, Relief Rxperts will verify eligibility based on the timestamp of the referral submission. All decisions made by Relief Rxperts are final.

Referral Bonus Payment:

- Referral bonuses are as follows:
 - Pharmacist (RPh): \$50
 - Pharmacy Technician (RPhT): \$50
 - Bonuses are issued via e-Transfer once the referred professional completes one shift before September 16, 2025.
 - Bonuses are made on a rolling basis, typically within 7–10 business days after the shift is verified and completed.
