Our Services

Strategy & Organizational Excellence

Driving strategic alignment, leveraging team assets, facilitating responsive stakeholder engagement, and data informed analysis are key components of our strategic planning, change management, and operational assessment advising services.

Communications & Messaging

Specializing in the development of asset framed strategic communications planning, narrative development, message distribution, and digital and print collateral, we amplify data insights to empower our partners to share their stories.

Executive Coaching & Professional Learning

Centering a responsive and inclusive lens, we combine technical expertise, lived experiences, and leadership principles to deliver organizational development, inclusive leadership, DEI facilitation, and other professional learning services.

Public Speaking

Delivering energetic, compelling, and engaging keynotes, trainings and facilitated dialogues to inspire, influence, and catalyze impact, our presentations reveal data informed realities and guide participants through authentic critical reflection.

Our Approach

Modern Impact Solutions embeds responsive practice into every client experience through decisive, inclusive and deliberate human centered advising.
