## Our Services

### Strategic Planning & Advising

Modern Impact Solutions provides experienced and nuanced strategic advising to achieve our clients' objectives and business goals. Driving strategic alignment, leveraging team assets and facilitating transformational stakeholder engagement, are key components of our approach.

### Coaching & Professional Learning

Modern Impact Solutions combines technical expertise, lived experiences, and people first practices to deliver leadership, change management, DEI, and employee and community engagement professional learning services.

### Content Creation & Communications

Modern Impact Solutions offers our clients innovative and modern communication strategies to produce impact and achieve organizational goals. We specialize in strategic communications planning, narrative development, digital/print collateral, and message distribution.

### Public Speaking

Modern Impact Solutions provides energetic, compelling, and engaging keynotes, trainings and facilitated dialogues to inspire, influence, and create impact. Our content reveals data informed realities and compels participants to critically reflect.

## Our Approach

Modern Impact Solutions embeds responsive and inclusive practices into every client experience through decisive and deliberate human centered advising.

### THINKING

Evaluation of data & ideas through:  
Analysis | Reflection | Corroboration

### CREATING

Origination of insights through:  
Re-framing | Adaptation | Collaboration

### SOLVING

Production of innovative solutions through:  
Research | Facilitation | Prioritization

### COMMUNICATING

Articulation of effective messaging through:  
Inclusion | Clarity | Engagement

## From Our Clients

***Leah is a skilled facilitator, consultant and subject matter expert. She is a dedicated professional with years of experience to help any partner to critically evaluate, honestly assess and authentically process their commitment to strengthening multicultural and equity-centered practices, procedures, policies and strategic organizational development.***
