The Tucker by CNR Homes – a spacious two-story floor plan designed for modern living and ultimate comfort. This home seamlessly blends elegance and functionality, offering abundant space for entertaining and everyday life. The main level features a chef's dream kitchen, complete with a massive walk-in pantry and a large island with granite countertops, flowing effortlessly into a warm, inviting living area. A covered deck extends the living space outdoors, perfect for hosting guests or unwinding with a scenic view. Upstairs, the versatile loft offers endless possibilities—ideal for a media room, home office, or creative space. Each of the four generously sized bedrooms includes a walk-in closet, ensuring ample storage. The walk-out basement provides additional recreational space with direct access to the yard, while the 3-car garage offers convenience and extra storage for vehicles or outdoor gear. With its spacious design, thoughtful details, and modern finishes, The Tucker is a standout choice for those seeking both style and comfort in a home.
