The Tucker by CNR Homes – a spacious two-story floor plan designed for modern living and ultimate comfort. This home blends elegance and functionality, offering abundant space for entertaining and everyday life. The main level features a chef's dream kitchen, complete with a huge walk-in pantry and a large island with granite countertops, seamlessly flowing into a warm and inviting living area. A massive 18' x 14' covered patio extends the living space outdoors, perfect for hosting guests or unwinding with a view. Upstairs, the loft provides a versatile space that can serve as a media room, playroom, or home office. Each of the four generously sized bedrooms includes its own walk-in closet, ensuring ample storage. A finished basement adds even more flexibility with additional recreational space, a fourth bedroom, and a bathroom. The 3-car garage offers convenience and extra storage for vehicles, tools, or outdoor gear. Designed for comfort, style, and space, The Tucker is an exceptional choice for those seeking a home that adapts to their lifestyle.
