

CLASS MAKE UP CLASS POLICY

Studio 68 has a very open policy to make up missed classes. You can make up ANY class missed due to illness or inclement weather. This does NOT include classes missed for Thanksgiving, Christmas or Spring Break. The make up class should happen within ONE month in another class in a similar age group. We do not allow make up classes in May, as this confuses dancers preparing for recital.

This policy offers dancers a great opportunity to try new things, as well as convenience to parents! We encourage make up classes, but they are not required.

Updated for 2019-2020 Season
