## Public awareness notice:

This is to inform you that, AICOE is a organization, not a board/council or is not equivalent with any Govt. Board/Council. The organization run non-formal self employment education programme only and not give any guarantee for further educational use or any job. Anybody can apply in AICOE for extending open learning facilities in a phased manner at Pre Secondary & Pre Sr. Secondary levels [like as mock test] all over the country and abroad as an independent system with its own curriculum and examination leading to awarding of certificates. This was intended to address the needs of students or working professionals in India and abroad to further the cause of spreading education.

Thanks and Regards,  
Chairman, AICOE
