1/30/20 UPDATE: At the January 30 meeting of the Executive Committee a few program changes were made.

- **Added money** at the 2020 Grand Pacific will increase. The 2019 auction generated \$6,400 and that money will go back to the shooters with increases to added money. In addition to the \$2,000 extra added money in Monday's Handicap (from 2018 auction), Tuesday and Thursday's handicaps will have \$2,000 more in each and the White Flyer Handicap will have \$2,400 additional added. If you or your business would like help increase the size of this premier event email [info@shootpita.com](mailto:info@shootpita.com) or phone Kay at 208-312-0314 or Sue at 541-258-8766.
- The **trophy package** is increased this year to allow trophies at each location with the exception of the championship events (#11, 13, 15, 16) which will be combined. High Over All (HOA), High All Around (HAA), Super HOA, Rookie, Husband/Wife, Singles Championship Team, Two In A Family and Champion of Champions will also be determined from scores shot at both locations, combined. There will be 12 White Flyer handicap trophies awarded similar to other handicap events. If you would like to help sponsor the trophy package with a \$50+ donation just let us know. 100% of donations are given to shooters in the form of added money or trophies.
- **Options** will be separate by site with the exception of the Magnums that are combined.
- **Other changes:**
  - The SHOT option will be combined with ties determined by long run so no shoot offs. If this is something you haven't played in the past as you didn't want to stay for a shoot off you might want to give it a try this year and take home some NORTHWEST SHOT! Don't reload? It's easy to sell and increase the size of your wallet.
  - The HALL OF FAME induction will be at the WA State Shoot but a video of the ceremony will be shown on Thursday during an appetizer potluck social hour at 5:00 p.m. or immediately following shoot offs.

Check back often for more information and updates. Pre-squadding will be available sometime in March.

The Site Selection Committee has been working on the 2020 site for the Grand since late August. Two clubs were invited to host the 2020 Grand, only one responded. It became evident during negotiations with Spokane GC that we could not come to an equitable agreement – one that benefited the shooters, the hosting club and the PITA.

Once again, we are heading down a path that has been traveled before – a Grand Pacific hosted at two sites. This decision was reached by the EC at the 2-day meeting held at Medford GC on October 24-25. Three clubs were asked to consider hosting the 2020 Grand. Two clubs have committed to hosting the Grand, the Medford Gun Club and the Hillsboro Trap & Skeet Club. Contract negotiations are underway. Coming soon information on RV reservations (to be done by host clubs) and PreSquad – keep an eye on the PITA website.

There may be challenges but they are not insurmountable! You have an EC that is dedicated to presenting a Grand benefiting the shooter as well as the host clubs. You are the foundation for the Grand – it is your shoot. We welcome your assistance and input as we work on the logistics for providing a Grand at the two sites. Join us in welcoming and thanking the Medford Gun Club & Hillsboro Trap & Skeet Club for hosting the 2020 Grand Pacific. Let's make this a positive experience for us all – you the shooter, management at Medford & Hillsboro clubs, and the PITA.
